IMPACT FEE ESTIMATE DATA SHEET

As a service to the development community, the City of Folsom provides estimates of impact fees for proposed projects. These estimates represent the fees that will be assessed to a project. Because the fees are calculated prior to the City receiving an application or plans, it should be understood that the impact fees quoted are only an *estimate*, and may change through the design and review process.

Directions: Please fill out the following information. If a category is not applicable, please enter N/A, or if data is unknown, please enter UNKN, in the space provided. After it is completed, email this form along with your name, address, and phone numbers to Cole Younger at his email cyounger@folsom.ca.us. Please allow 5 working days for a reply. If you have questions, please call Cole at (916) 461-6164.

Your Name: _____ Phone No. _____

Email Address: _____ Fax No. _____

Project Name: _____ Location: _____

Type of Project: Single Family Multifamily Commercial Office Industrial APN: _____

Number of Buildings _____ Number of Residential Units per Building: _____

Finished Building: _____ Sq. Ft. Net Acreage of Site _____ Acres
