Type of Incident: Residential Structure Fire
Location: Hardrock Ct., Folsom

RESIDENTIAL STRUCTURE FIRE

FOLSOM, CA- Firefighters from the Folsom Fire Department with assistance from Sacramento Metropolitan Fire District responded to a structure fire in a residential home located on Hardrock Ct. in Folsom. A total of five engine companies, two truck companies, one paramedic ambulance, and two chief officers were dispatched to the scene.

Fire crews responded to a reported home with light smoke in the living space. While enroute to the fire, crews were updated that there were flames visible in the attic. The incident was then balanced to a full structure response.

Firefighters from the Folsom Fire Department and Sacramento Metropolitan Fire District arrived to find fire coming from the attic. Crews determined all occupants were out of the home and attic was well involved. All efforts were then focused on accessing the attic and extinguishing the fire. The fire that was in the attic was then extinguished.

All occupants safely evacuated before the arrival of firefighters. The cause of the fire was determined to have started in the attic of the home and the exact cause is under investigation. No injuries were reported. The interior of the homes along with the contents were mostly undamaged, due to the firefighters' efforts to protect as much property as possible.
