1) Lock your house doors, windows, and gates. Close garage doors. Use your alarm.
2) Light your home’s exterior at night. Use interior light timers, especially when out of town.
3) Have a neighbor pick up mail, newspaper and trash cans when you are on vacation.
4) Make sure your house numbers are legible—imperative for emergencies.
5) Be aware that most burglaries happen during the day.
6) Make sure your house looks the same 365 days of the year!
7) Lock car doors, don’t leave items visible (best in trunk or house). If possible put car in garage.
8) Protect yourself from Identity Theft. Do not give out personal info to phone or email solicitors.
9) Do not put social security number in wallet or car.
10) Purchase a shredder & shred, shred, shred.
