## 7. Retirement Optional Settlement 2 Death Benefits (Survivors)

The City agrees to continue to provide the Pre-Retirement Optional Settlement 2 Death Benefit pursuant to Government Code Section 21548.

## 8. Retiree Health Insurance

- A. Employees hired on or prior to May 8, 2007, who retire<sup>1</sup> from City service may participate in the Kaiser or other City insurance plans made available by the City for active employees. The amount of the City's monthly contribution shall be determined as set forth below. Any costs that exceed the maximum paid by the City towards retiree health insurance costs shall be borne by the retiree.
- (1) Employees who retire with less than 5 years of service<sup>2</sup> shall not be eligible to receive any City contribution toward the cost of retiree health insurance.
  - (2) Employees who retire with more than 5 years of service shall qualify for a monthly City retiree health insurance contribution.
  - (3) Subject to the maximum set forth in Section 8A(4) below, the City retiree health insurance contribution shall be as follows:
    - a. Retiree only – an amount equal the City's contribution towards active employee health insurance for the category of "employee only."
    - b. Retiree and one dependent – an amount equal to the City's contribution towards active employee health insurance for the category of "employee plus one."
    - c. Retiree and two or more dependents – an amount equal to the City's contribution towards active employee health insurance for the category of "employee plus two or more" until the retiree reaches age 55. Thereafter, the City's contribution towards a retiree with two or more dependents shall be an amount equal to the City's contribution towards active employee health insurance for the category of "employee plus one" plus \$100.

---

<sup>1</sup> "Employees" are exclusively permanent and/or probationary employees of the City of Folsom hired on or before May 8, 2007. "Retire" or "retiree" is defined as any classified City employee who (1) applies for retirement with the Public Employees' Retirement System (PERS) within ninety (90) days after terminating employment with the City; and (2) receives a PERS retirement benefit.

<sup>2</sup> "Service" is defined as full time (or equivalent) continuous permanent and/or probationary employment status with the City of Folsom.

- (4) Effective January 1, 2012, the City's monthly contribution toward the cost of retiree health insurance shall not exceed the maximum monthly contribution paid by the City to active employee health insurance for the categories of employee only (for retiree only), employee plus one (for retiree plus one dependent), and employee plus two or more until age 55 and employee plus one plus \$100 after age 55 (for retiree plus two or more dependents).
  - (5) The January 1, 2012, cap for each category shall be adjusted each January thereafter by an amount not to exceed 3%, depending on the percent increase in the Consumer Price Index (CPI), U.S. Department of Labor, for November – November of the previous year, Index CPI-W, Urban Wage Earners and Clerical Workers, Series #CWUR0400SA0, United States. (Example, if the cost of living for the specified period increases by 2%, the cap shall be increased by 2%. If the cost of living for the specified period increases by 4%, the cap shall be increased by 3% (cost of living increases in the cap shall be rounded to the nearest tenth).
- B. The City shall contribute \$25 per pay period into a Health Retirement Account (HRA) for each permanent employee hired after May 8, 2007. The principles governing the HRA shall be established by the Internal Revenue Service (IRS) and the City Human Resources Department.

## 9. Retiree Dental and Vision Insurance

Effective January 1, 2020, employees who retire from City service must have at least 120 months of continuous service as a City employee to qualify for dental and vision insurance benefits provided to active employees. The City shall contribute 5% of the premium per year of City service, up to an 80% City contribution.

## 10. Out of Area Health Premium Plan

- A. OAHPP shall work in conjunction with the Health Retirement Account (HRA) provided by the City to active employees. Each OAHPP retiree will obtain a participant account.
- B. Only retirees who (a) live outside of the plan area; (b) qualify for Retiree health Coverage pursuant to Article III, Section 7; and (c) agree to disenroll from the current group medical benefit plan for retiree health coverage may participate in OAHPP.
- C. Once a retiree opts to participate in OAHPP, the retiree shall thereafter be prohibited from returning to retiree health coverage.

- D. The City will contribute to the retiree's participant account on a monthly basis in an amount equal to the amount of the City's contribution for employee only or employee plus 1 coverage, based on the retiree's marital status at the time of OAHPP election. Spouses may not be added later. The City's contribution would be used for premiums to obtain health coverage. Under no circumstances shall the contribution be higher than the City paid premiums for similarly situated in-area employees. The retiree shall be responsible for administrative costs established by the HRA plan administrator.
- E. Upon the death of, or martial dissolution from, the retiree's spouse on record at the time of election to participate in the OAHPP, the funding level will be adjusted to employee only. Subsequent spouse(s) from any subsequent marriage(s) (i.e. post initial OAHPP election) shall not be eligible to participate and funding will remain at employee only. In the event of the retiree's death, surviving spousal benefits will conform to City practices applicable to employees participating in City plans. Should the retiree obtain coverage from another source (e.g. coverage by spouse), the funding will cease and will not be reinstated.
- F. Rules and procedures governing OAHPP shall be determined and administered by the City Human Resources Department. Disputes regarding the OAHPP shall be appealed to the City Manager or designee and shall not be subject to arbitration.
- G. As an option to the OAHPP, retirees who qualify for retiree health coverage pursuant to Article III, Section 7, may elect the Aetna PPO plan during annual enrollment and prior to moving out of state. The retiree must then keep Aetna as their provider until such time as they move back into the regions covered by whoever are the City health providers at the time, and may elect another provider during the next open enrollment. It is understood by both parties that this option is available only in accordance with the rules and procedures of Aetna and only as long as Aetna chooses to be a provider for the City.

## 11. Use of Accrued Leave Time Pending Retirement

- A. With prior approval of the City Manager or designee and pursuant to procedures established by the Human Resources Director, employees who have declared their intention to retire from employment with the City of Folsom may use accrued Annual Leave or Administrative Leave to extend their retirement date beyond the last day worked.

- B. Notwithstanding any other provision of this MOU, accrued Annual Leave or Administrative Leave used to extend a retirement date shall not result in the accrual of additional Annual Leave, Sick Leave, or Administrative Leave.
- C. Requests to extend a retirement date pursuant to this section shall be submitted to the City Human Resources Department. This provision shall be administered pursuant to procedures established by the City Human Resources Department.

## 12. Education Incentive Pay

- A. For employees hired on January 1, 2020, or later, education incentive pay is limited to job related degrees not required in their classification description and approved by the employee's department head and the City's Human Resources Director. The incentives listed below are non-cumulative and paid at the highest rate:
  - Bachelor's degree: \$300 per month.
  - Master's degree: \$300 per month.
  - Bachelor's/Master's (in unrelated field): \$150.00 per month.
- B. For employees hired before January 1, 2020, educational incentive pay is frozen at the dollar amount paid on December 31, 2019. No increase in this dollar amount will occur unless this amount is less than the amount listed in subparagraph A above, at which point the amount will be adjusted to the higher level.
- C. Payment of education incentive will begin effective the first pay period after the employee provides the Human Resources Department with the appropriate documentation, which includes a copy of transcripts or diploma. It is the responsibility of each employee to notify the Human Resources Department of his/her eligibility for education incentive and to provide the appropriate documentation.
- D. Employees who qualify for the education incentive and who received City paid tuition reimbursement (Article V, Section 8) will not receive education incentive pay until they have reimbursed the City for the cost of the tuition reimbursement. Once payment is made in full for tuition reimbursement, the education incentive will start and be paid directly to the employee. Reimbursing the City will consist of delaying the incentive pay until an amount equivalent to the tuition reimbursement has been withheld. For example, if an employee qualified for \$300 per month in education incentive payment, but had received \$3,000 in tuition reimbursement, the employee's

incentive payment would be delayed 10 months from the education incentive effective date.

### 13. Cell Phone

A department head, with City Manager approval, may approve the issuance of a city cell phone or may authorize the use of the employee's personal cell phone for work purposes. If an employee opts to use his/her personal phone for work purposes the City will provide employee with a maximum monthly cell phone stipend of \$50.00. The monthly stipend shall cover expenses, charges, maintenance and replacement of the employee's phone including damage, loss, theft or other operational issues affecting the phone during private use or during the course and scope of employment. The City shall have no further liability for these items beyond the stipend amount. If an employee opts to use his/her personal cell phone, employee will provide the cellular phone record of business calls during work hours upon request of the City.

## ARTICLE IV – INSURANCE

### 1. Health Insurance

- A. As demonstrated in the example below, the City's maximum monthly contribution for active employee health insurance coverage shall be adjusted annually to an amount equal to 50% of the increase, if any, above the prior year's Kaiser monthly premium rate combined with the City's prior year contribution amount for employee only, employee plus 1, and employee plus 2 or more (rounded to the next whole number). The employee is responsible for the difference between the applicable premium and the City's contribution.

Example:

Employee only category: The 2010 monthly premium for Kaiser employee only is \$507.89 and the City's maximum monthly contribution is \$486.00. If this premium increases by 10% for 2011, or to \$558.68, the City's contribution for 2011 for the employee only category would be computed as follows:  $\$558.68 - \$507.89 = \$50.79$ ,  $\$50.79 \times 50\% = \$23.40$ ,  $\$486.00 + \$23.40 = \$509.40$ . After rounding to the next whole number, the City's maximum contribution for health insurance for the employee only category would be \$509 per month. If the premium increases by 10% for 2012, or to \$614.55, the City's contribution for 2012 for the employee only category would be computed as follows:  $\$614.55 - \$558.68 = \$55.87$ ,  $\$55.87 \times 50\% = \$27.93$ ,  $\$509.00 + \$27.93 = \$536.93$ . After rounding to the next whole number, the City's maximum contribution for health insurance for the employee only category would be \$537 per month.

Employee plus 1 category: The 2010 monthly premium for Kaiser employee plus 1 is \$1,015.78 and the City's maximum monthly contribution is \$972.00. If this premium increases by 10% for 2011, or to \$1,117.36, the City's contribution for 2011 for the employee plus 1 category would be computed as follows:  $\$1,117.36 - \$1,015.78 = \$101.58$ ,  $\$101.58 \times 50\% = \$50.79$ ,  $\$972.00 + \$50.79 = \$1,022.79$ . After rounding to the next whole number, the City's maximum contribution for health insurance for the employee plus 1 category would be \$1,023 per month. If the premium increases by 10% for 2012, or to \$1,229.10, the City's contribution for 2012 for the employee plus 1 category would be computed as follows:  $\$1,229.10 - \$1,117.36 = \$111.74$ ,  $\$111.74 \times 50\% = \$55.87$ ,  $\$1,023.00 + \$55.87 = \$1,078.87$ . After rounding to the next whole number, the City's maximum contribution for health insurance for the employee plus 1 category would be \$1,079 per month.

Employee plus 2 or more category: The 2010 monthly premium for Kaiser employee plus 2 or more is \$1,320.52 and the City's maximum monthly contribution is \$1,263.00. If this premium increases by 10% for 2011, or to \$1,452.57, the City's contribution for 2011 for the employee plus 2 or more category would be computed as follows:  $\$1,452.57 - \$1,320.00 = \$132.57$ ,  $\$132.57 \times 50\% = \$66.29$ ,  $\$1,263 + \$66.29 = \$1,329.29$ . After rounding to the next whole number, the City's maximum contribution for health insurance for the employee plus 2 or more category would be \$1,329 per month. If the premium increases by 10% for 2012, or to \$1,597.83, the City's contribution for 2012 for the employee plus 2 or more category would be computed as follows:  $\$1,597.83 - \$1,452.57 = \$145.26$ ,  $\$145.26 \times 50\% = \$72.63$ ,  $\$1,329 + \$72.63 = \$1,401.63$ . After rounding to the next whole number, the City's maximum contribution for health insurance for the employee plus 2 or more category would be \$1,402 per month.

- B. Employees who select a health plan with higher monthly premiums than the maximum monthly premium paid by the City (Section A above) shall pay the difference through payroll deduction. Should employees select a health plan with lower monthly premiums than the maximum monthly premium paid the City, the City's contribution shall be limited to the cost of the monthly premium.
- C. The City will continue an IRS 125 Medical Reimbursement Account. Employees may participate in the account pursuant to administrative procedures established by the City.
- D. The City's maximum monthly contribution for active employee health insurance coverage shall not be reduced below eighty percent (80%) of the health benefit plan that represents the lower overall premium cost to the City

(not including any High Deductible plans).

E. High Deductible Health Plans

- i. The City agrees to offer High Deductible Health Benefit Plans in addition to the HMO plans offered by the health benefit plan carriers.
- ii. The City agrees to make available a Health Savings Account (HSA) to employees who select either of the High Deductible Health Benefit Plans.
- iii. Fifty percent (50%) of the difference between the City's monthly contribution towards the cost of the Kaiser HMO Health plan premiums as set forth in Article IV, Section 1 of the MOU and the monthly premium for a High Deductible Health Plan shall be contributed into the employee's HSA. Tax status of contributions, contribution amounts, and use of HSA funds shall be in accordance with federal and state law.

## 2. Health Insurance – Cash Back

- A. Probationary or permanent employees, who certify to the Human Resources Department that they have group health insurance coverage with comparable benefits to health plans offered by City, may decline to participate in City health insurance coverage.
- B. Employees who decline to participate in City health insurance coverage shall receive a cash back payment from the City of \$250 per month for each month the employee does not participate in City health insurance coverage.
- C. Employees who have declined to participate in City health plan coverage pursuant to this section may enroll in City health plan coverage only during the annual open enrollment period.
- D. This section shall be administered pursuant to procedures established by the City Human Resources Department.
- E. Employees who decline health insurance coverage shall continue to be eligible to participate in the City's vision and dental plans.
- F. An employee whose spouse is employed by the City and receives health insurance is also eligible to receive the cash back payment.

### **3. Health Benefits Labor-Management Committee**

The parties agree to participate in a joint Health Benefits Labor-Management Committee to review existing health benefit programs, including, but not limited to, the cost containment, direct contracting for health benefit plans, and creation of a health benefits cafeteria plan. The Health Benefits Labor-Management Committee shall be open to all employee organizations representing City employees. FMMG may select up to two City employees to participate in Committee meetings. Employees who participate in Committee meetings shall do so without loss of compensation.

### **4. Dental Insurance**

Employees/dependents who choose non-participating dentists shall have a coverage maximum of \$1,500 per year.

### **5. Vision Plan**

Vision coverage will be provided by Vision Services Plan (VSP). The City will contribute 80% of the monthly premium for an employee, employee and dependent, or employee and family as set forth in the plan document. Employees will contribute 20% of the monthly premium. The following elements shall provide the basis of VSP coverage:

- One eye exam every 12 months;
- One set of lenses every 12 months;
- \$100 allowance/wholesale basis for frames; and
- A co-pay of \$5.00 per visit.

### **6. Short Term Disability Insurance**

The City agrees to provide a Short Term Disability Insurance Program as provided in the plan document, with the City paying 100% of the premium rate for the weekly indemnity insurance program (short-term disability) of 60% of salary for 26 weeks. The maximum payment is subject to plan agreement. The waiting period for initiation of benefits under the plan shall be 12 calendar days.

### **7. Long Term Disability Insurance**

The City agrees to provide a long-term disability program for employees in the Middle Management Bargaining Unit as provided in the plan document. Plan coverage shall provide a maximum benefit of up to 60% of salary, up to age 65. The maximum payment on this plan is subject to plan agreement.

## **8. Life Insurance**

The City agrees to provide \$60,000 of life insurance coverage to each employee in the Middle Management Bargaining Unit, and \$1,000 for each dependent. Employees may purchase additional life insurance coverage for themselves and/or their dependents through the City's life insurance carrier pursuant to procedures established by the City's Human Resources Department. The City's obligation to life insurance coverage is limited to the plan contribution.

## **9. Domestic Partner**

For purposes of insurance coverage, "dependent" shall include a domestic partner who has been certified by the Secretary of State's Office pursuant to Family Code Sections 297 et seq.

# **ARTICLE V – HOURS, HOLIDAYS AND LEAVES**

## **1. Management Leave**

Employees in the Middle Management Bargaining Unit shall receive 80 hours per year of management leave. Current rules governing the use of accrued management leave (formerly known as administrative leave) shall continue to apply.

An employee in the Middle Management Bargaining Unit who is required by his or her department head to regularly attend meetings during non-work hours may be allocated up to a total of 100 hours per year of management leave. Annually, department heads shall provide a list to the City Manager of those employees who they feel are deserving of the additional management leave. A list of meetings requiring routine attendance by the employee shall be included with each employee's name. The list shall be submitted for the City Manager's review and approval no later than July 1 of each year, and employees on the list notified by August 15. An employee who has not been included on the list may request that he/she be permitted to accrue additional management leave time. Such requests are subject to final approval by the City Manager.

This section shall not be subject to the Grievance/Arbitration provisions of this Agreement.

## **2. Longevity Pay**

- A. Subject to subsection B below, employees hired on or before July 1, 2010, in the FMMG bargaining unit shall be eligible to receive longevity pay beginning with ten (10) or more years of City service. The Longevity Pay formula is based on 2 1/2% increments and is as follows:  
  
2½% after ten (10) years of City service;  
an additional 2½% for a total of 5% after fifteen (15) years of City service;

## **ARTICLE VII – MISCELLANEOUS**

### **1. Salary on Status Changes**

- A. Promotion: An employee who is promoted to a position in a classification with a higher salary range shall be placed in the step in the new salary range that is at least 5% above the current base salary. An employee thus promoted is therefore assigned a new salary anniversary date effective of the date of promotion.

An employee who is promoted to a higher class effective within thirty (30) calendar days of a step increase within the lower class range shall be eligible first to receive the within range increase and then the higher step as provided in this section, providing that the employee's performance was satisfactory for salary advancement in the lower class and that the higher class is reasonably within the career path of the lower class which shall be determined by the City Manager.

- B. Demotion: Employees may only be demoted for purposes of employee

discipline or layoff. An employee who is demoted to a position in a class with a lower salary range shall be reduced in salary to the step in the lower class salary range as follows:

- i. Disciplinary demotions may be assigned to any salary step in the lower class range which is at least one (1) step less than that received in the class from which demoted. A new anniversary date shall be established on the effective date of the demotion.
- C. Transfer: An employee who is transferred from one position to another position in the same class, or to another position in a class having the same salary range and substantially similar duties, shall be compensated at the same step in the salary range as previously received without a change in the anniversary date.
- D. Reinstatement/Reemployment: An employee who is reinstated or reemployed in a position previously occupied pursuant to the City's Personnel Rules and Regulations shall receive not more than the step in the salary range received prior to separation, and a new anniversary date shall be assigned based on the reinstatement or reemployment date.
- E. Range Assignment Change
- i. Whenever a class is reassigned to either a higher or lower salary range by the City Council, the salary of each incumbent in such class on the effective date of the reassignment shall be adjusted accordingly. If the position is reassigned or reclassified to a higher range, and the incumbent is appointed to the position, the incumbent's salary shall be the step that is at least 5% above the current base salary. If the position is reassigned to a class having a lower salary range, the salary and anniversary date of the employee shall not change, and the salary of the employee shall be designated as a "Y" rate and shall not change during continuous regular service until the salary of the new position exceeds the employee's present salary.
  - ii. When a salary range reassignment becomes effective within thirty (30) calendar days of an employee's salary anniversary date, the employee shall first receive the within range step increase and then receive the corresponding step adjustment, provided that the employee's performance was satisfactory for salary advancement upon eligibility for step increases.
- F. Compensation Upon Reclassification: The salary of an employee in a position that is reclassified shall be determined as follows:

- i. If the position is reclassified to a class with the same salary range as the previous class, and if the incumbent is appointed to the reclassified position, the salary rate shall apply to a change of class title.
- ii. If the position is reclassified to a class with a higher salary range, and the incumbent is appointed to the position, the incumbent's salary shall be the step that is at least 5% above the current base salary. The employee shall receive a new anniversary date upon reclassification in this manner.
- iii. If the position is reclassified to a class with a lower salary range than the previous class, and if the incumbent is appointed to the reclassified position, the employee's salary shall not change. If the employee's salary is greater than the maximum step of the lower salary range, the employee's salary shall be "Y" rated until such time as any general cost-of-living increase, inequity adjustment, or other salary increase results in a monthly salary appropriate for the class. The employee's salary anniversary date shall not change and shall not require a new probationary period.

G. Compensation for Working in A Higher Classification (Acting Pay)

- i. On occasion an employee may be required to perform duties of another classification with a higher salary range because of a temporary vacancy in that position. The employee's salary will be adjusted to compensate for the higher level of duties. In such cases, the City will adhere to CalPERS regulations regarding these types of assignments (i.e., out-of-class assignments, temporary upgrade pay, or non-pensionable extra duty pay) and assign appropriately per these regulations (Government Code section 20480).

In order to receive adjusted compensation for working in a higher classification the employee must be assigned in writing by the department head, assume and perform substantially all the duties and responsibilities of the position, and perform them for at least one week (five consecutive working days).

Compensation for working in a higher classification shall consist of a flat five percent (5%) increase above the employee's current salary or the lowest salary within the higher salary range, whichever is greater, but not to exceed the maximum of the range established for the higher classification.

- ii. Work periods in higher-class assignments shall not apply toward seniority or time-in-class consideration for promotional or layoff purposes as regard the higher class.
- iii. If an employee and his/her department head agree that the employee be assigned on a temporary basis for training purposes, no compensation will be due the temporarily assigned employee. In no case shall such training be for more than thirty (30) calendar days. After two (2) weeks a progress report will be given to the employee in order to evaluate the employee's success in the training program.

Should the City decide to implement a bi-weekly pay schedule (26 pay periods per year) in lieu of the current bi-monthly pay schedule (24 pay periods per year), the City agrees to notify FMMG and meet and confer with FMMG on the impact on employees in the Middle Management Bargaining Unit. The parties also agree to meet and confer over alternate work schedules, including, but not limited to, 4/10 and 9/80 work schedules.

## **3. Employee Wellness**

The City agrees to work with FMMG towards the goal of implementing an employee wellness program. The City and FMMG agree to create a Wellness Advisory Committee.   - i. The right to request a Skelly Meeting does not apply to a Written Reprimand. An employee who is subject to disciplinary action of a Written Reprimand and disagrees with the discipline is encouraged to discuss with their Department Manager. The employee may also, within five (5) days after receiving a Written Reprimand, request a meeting with the City Manager or designee by filing a written request with the Human Resources Director.

## **ARTICLE X – GRIEVANCE PROCEDURE**

**1. Definition:** A grievance is a complaint of an affected employee or group of employees resulting from interpretation or application of this Agreement, or City rules.

**2. Time Limits:** Grievances not presented within the time limits established for each step of this procedure shall not be considered. Should the City fail to answer within the established time limits, the grievance may be appealed to the next step of the grievance procedure.

When days are used in this article for the purpose of establishing time limits, those limits will be presumed to have been met when the appropriate forms are either personally delivered to the affected party or deposited in the U.S. mail, as evidenced by the appropriate postmark.

Time limits may be waived or extended by mutual agreement between the parties. As referred to in this article, all "days" are "work days."

**3. Presentation:** An employee and/or FMMG representative may present a grievance during work time provided such presentations and discussions do not disrupt City operations and are kept to a reasonable minimum.

**4. Procedure:** All grievances as defined herein shall be processed in accordance with this procedure. All grievances, beginning at Step 1 shall be filed on a form provided by the City for that purpose. FMMG may refuse to represent a grievant and the City may refuse to consider a grievance where the aggrieved party has not followed this procedure.

A. **INFORMAL STEP.** Within fifteen (15) days of the event or circumstance giving rise to the grievance or within fifteen (15) days of the time the affected employee or FMMG should reasonably have been aware of the event or

circumstance, the grievance shall be discussed informally with the person or persons most directly responsible for the event or circumstances which gave rise to the grievance. If the grievance is not resolved within five (5) days of the date on which it is first presented at the Informal Step, the grievant may proceed to Step 1 and file a formal grievance.

**B. FORMAL.** If there is no agreement at the informal level:

**STEP 1.** A formal grievance shall be presented in writing to the grievant's department head. The department head shall conduct such investigation as is deemed appropriate and shall issue a written determination within ten (10) days of the date on which the grievance was appealed to the department head.

**STEP 2.** Within five (5) days of the Step 1 response or, if no Step 1 response is received, within twenty (20) days of the date of the Step 1 appeal, the grievance may be appealed to the City Manager or designee. The City Manager or designee shall conduct such investigation as is deemed appropriate and shall issue a written determination within ten (10) days of the date on which the grievance is first presented at Step 2. If the City Manager or designee fails to issue a written determination within the prescribed period of time or if the determination is not satisfactory to the grievant, only FMMG may request the matter of contract provision be submitted to binding arbitration. Individual employees may submit grievances relating to discipline to binding arbitration.

**STEP 3.** A request for binding arbitration shall be made in writing to the City Manager within fifteen (15) days of the date which the grievant received a copy of the written determination of Step 2, or in the event that no Step 2 answer is received, within twenty (20) days of the date of the Step 2 appeal.

An arbitrator may be selected by mutual agreement between the parties. However, should the parties fail to voluntarily agree upon an arbitrator, the parties shall make a joint request to the California State Mediation and Conciliation Service. The parties shall request a list of five (5) qualified arbitrators. Each party shall alternately strike one name from the list and the last remaining name shall serve as arbitrator. The first party to strike a name shall be determined by the toss of a coin.

The arbitrator's decision shall be final and binding on the City, FMMG, and the grievant(s). The arbitrator shall have no authority to add to or delete from the terms of this Agreement, or City Personnel Rules. All fees and costs of the arbitrator and court reporter, if any, shall be borne equally by the parties.

## **5. Letters of Reprimand**

Upon request of an employee, a written reprimand shall be removed from an employee's personnel file after two (2) years from the original date of issuance; provided, however, that the employee has not been subject to formal disciplinary action during the two (2) year period.

A written reprimand shall be appealable only to the Human Resources Director and then to the City Manager with the right to present the employee's position and supporting evidence, but no right to confront or cross examine witnesses. The decision of the City Manager shall be final.

## **6. Short Term Suspension**

The parties agree that the members of this unit are not subject to short-term suspension as defined by the Personnel Rules and Regulations of the City of Folsom.
