Message from the Parks & Recreation Director

Welcome to the summer edition of the Rec Guide. This guide is a great resource to begin your family summer adventures. While our aquatic center is one of many popular summer destinations, don't miss out on the many other recreational and enrichment opportunities we provide for all ages and abilities. Our summer camp offerings include the new Destination Recreation weekly themed camp, Trailblazers-N-Training leadership camp for teens, pages of STEAM camps, zookeeper camps, and camps focusing on just about every sport you could imagine. I hope you'll join us for the 10th anniversary of our popular Love My Mom family fitness event May 5, enjoy our Summer of Music Friday concert series starting June 14, and mark your calendar for our free Family Picnic & Movie Night August 3.

July is Parks and Recreation Month. You can take part by connecting with nature by exploring some of our 48 parks, more than 1,000 acres of dedicated open space, and 50+ miles of trails. In celebration of this special month, the city has increased the amount of financial scholarship dollars available for local youth who qualify. We are passionate that everyone in our community deserves the opportunity to participate in our recreational programs. Learn more at folsom.ca.us/scholarships.

The construction and development of Folsom's 49th park—Prospector Park—is now happening! This park, located in the Folsom Plan Area south of Highway 50, is opening later this year. Residents will be able to enjoy a dog park, a play area that includes dueling zip lines, tennis courts, a basketball court, synthetic turf volleyball courts, and a baseball field. The park also includes a nature area, 270 new trees, and multiple walkways.

We want to hear how we can continue to serve our residents and provide the best parks and recreation services. If you have comments or ideas that you want to share, please reach out to me directly at kgonzalez@folsom.ca.us. We look forward to connecting with you and your family this summer season.

—Kelly Gonzalez, *Folsom Parks & Recreation Director*

On the cover: meet Ben, our adorable summer Rec Guide cover model! This little bundle of energy loves splashing at the pool, kicking goals on the soccer field, and zooming around with his collection of cars and trucks. But his biggest joy? Being a big brother!

STANDARDS OF BEHAVIOR: The City of Folsom strives to provide a safe and positive environment to ensure the enjoyment of everyone when participating in our Parks & Recreation Department programs and activities. Our expectation is that all participants treat people and facilities with respect and follow the rules provided by staff. The City of Folsom reserves the right to deny service to anyone for failure to abide by these behavior standards.

Happy Campers!

Why Choose Destination Recreation?

Parents and kids can agree on one very important thing in the summer: having fun and staying busy are a huge priority. Let us ensure that the fun is plentiful, the laughs are many, and the memories will last a lifetime.

Choosing this program will keep your kids off screens while providing them with recreation-based programming, designed to foster friendships and positive social interactions which are actually the secret ingredients to a magical summer!

Each week of Destination Recreation, campers will enjoy:

- A fully planned schedule of activities with intentional time built in for creating community and camaraderie within our camp age groups.
- Sports, inside & outside games, arts & crafts, STEM projects, and free choice time.
- Walking field trip to the Steve Miklos Aquatic Center every Wednesday.
- Theme Days and “Weekly Specials” to keep things exciting and fresh.
 - **Make Connections Mondays:** Team building and get to know you games as a whole camp and small groups.
 - **Tasty Tuesdays:** A special visit from a delicious local vendor.
 - **Wet & Wild Wednesdays:** Walking Field Trip to the Steve Miklos Aquatic Center.
 - **Thrilling Thursdays:** A special guest will join us in camp to bring us an awesome experience.
 - **Fun Fridays:** Dress to match the theme and staff will plan some extra special activities to celebrate the end of the week.

Zoo Camps

ABC Zoo Camp

with Folsom City Zoo Sanctuary Docents

Let your little ones explore the wonders of wildlife through crafts, songs, and hands-on interaction with some of our outreach animals. After three days of animal-related fun, each child will graduate with a new appreciation of the animal world. Parents are invited to watch a performance of the camp song the last day of camp. Each child will take home a booklet with photos of their camp activities. Daily snack is provided.

Junior Zookeeper Camp

with Folsom City Zoo Sanctuary staff

Caring for animals is a fun, rewarding, and sometimes messy job—this camp is a hands-on and outdoor experience. Campers will explore the zoo sanctuary through educational tours, meet some of our animal ambassadors up close, prepare enrichment for the animals like ice pops and cardboard puzzles, and even clean animal enclosures! Join us and learn more about the animals that call the zoo sanctuary home and make long-lasting memories along the way.

Camp activities are subject to change based on the needs of the animals, weather conditions, and other factors. Activities may include zoo sanctuary tours, hands-on tasks, arts and crafts, play, and animal enclosure cleaning.

Senior Zookeeper Camp

with Folsom City Zoo Sanctuary staff

This advanced camp provides an introduction to more of the zoo sanctuary's animal residents. Campers will learn about domestic and wild animal behavior, animal training techniques, animal health, and caregiving. You'll hear from different zookeepers who will share all the exciting, and maybe not so exciting, aspects of being a zookeeper. Activities include making more advanced enrichment toys for the animals, cleaning enclosures, preparing diets, and interacting with the animals. We'll also explore some of the conservation efforts taking place in the world, and how to do our part to be good stewards of the environment.

Trailblazers-N-Training Leadership Training Camp for Teens

Embark on a transformative two-week leadership training course, starting with skill-building in decision making, conflict resolution, time management, team dynamics, and leadership styles. Participants will volunteer in Destination Recreation Summer Camp with campers aged 6-10, gaining hands-on leadership experience. As a bonus, teens receive a program T-shirt and enjoy a special field trip. This dynamic program goes beyond the basics, focusing on essential leadership skills that will shape participants into confident, adaptable, and effective trailblazers.

Introduction to Digital Drawing and Design: The World on Your Screen

with *IntelliBricks*

Give your student a world of artistic possibilities with this camp! With new and exciting projects (like night sky, farm house etc.) every day your student will be learning concepts fundamental to most major design programs, integrating elements of traditional art such as Form, Shape, and Texture. They will use pressure sensitive Wacom drawing pads that give all the functionality and specificity as any manual drawing tool! Give your students the tools and know-how they need to redesign their world!

Lego Robotics: Motor Madness

with *IntelliBricks*

Calling all car lovers out there! During this session, children will build a new kind of car each week and learn the concepts surrounding it. For example one week might focus on a power car where children try different gear combinations and another week might focus on building a car with sails and learn all about wind resistance and its effect on speed. Some models will focus on programming too.

Lego Minecraft Animation

with *IntelliBricks*

LEGO® Minecraft class is an exciting and educational experience into the world of stop-motion animation. Using LEGO building sets based on the Minecraft theme, students will stage their own scenes from a storyboard and take photos of the scene to tell a story. Then they will edit the images in the Frames 6 animation software where they will add effects, sound and more. Finally, they will export their project to a video file that they can take home on a USB drive.

Web Development with HTML, CSS, and JavaScript

with *IntelliBricks*

Whether you're playing games, doing some shopping, or watching silly videos, a website can be a gateway to a world of fun! So being able to make your own is a lucrative, important, and interesting skill! That's why we're offering a new Website Development class! This class will give students an introductory level of knowledge in 3 Coding languages; HTML (Hypertext Markup Language), CSS (Cascading Style Sheets), and Javascript, the three coding languages that make up a vast majority of the sites you will visit! Knowing these 3 languages will allow you to create websites that can compete even with the most state of art web frameworks, with HTML to build the foundation of the site, CSS to streamline and improve the visual styling, and Javascript to make your site intuitive and interactive for your users! Web design has never been a more important skill, so sign your student up today!

DASH Public Speaking with IntelliBricks

Public speaking can be scary, but with some practice, tricks, and preparation, it can instead be a thrilling form of self-expression! While we go through the process of writing a thoughtful speech with fluid organization, we learn the steps of effective memorization and work on the actor-like performance aspects of public speaking. The end result: a student who is confident in their self, their ideas, and their speaking abilities. After our DASH public speaking course for young learners premiered last year, we were greeted with calls for more! This year, we are back with even more focus on what you asked for – speaking, speaking, and speaking! Whether you joined us last year or you are new to the program, we are excited to welcome you to the group, and eager to help your student become their most confident self.

Sea Squad Swim School

AT THE STEVE MIKLOS AQUATIC CENTER

PLEASE NOTE: Our swim lessons are in high demand. For current availability and pricing, visit webtrac.folsom.ca.us or call 916-461-6640.

Our powerful Sea Squad animals want to share their time-tested swimming techniques with you! We created a safe and empowering environment to encourage growth and success, focusing on basic water skills through competitive swimming techniques. On the first day of each session, our instructors will assess all students and place them into their appropriate level. Lessons are taught in our heated instructional and competitive pool. **Join the Squad today!**

Swim Level Passing Requirements:

Parent/Tot: Children from ages 6 months up to 3 years, accompanied by a parent. Parents will get in the water to help their child learn water adjustments, support float, kicks, and assisted entries through instruction and games.

Starfish: Our program begins at age 3, we encourage learning through play and exploration. Entering and exiting the water safely, bobs, front/back float, front/back glide, arm/leg action, and full submersion.

Seahorse: The following swimming skills need to be performed independently. Entering and exiting the water safely, 5 bobs, front/back float 10 seconds, front/back glide, arm/leg action alternating and simultaneously.

Guppy: Jumping in the pool taking a breath and returning to the wall, unassisted back/front floats 5-10 Breaths, front/back glides with kicking, beginning to side breathing, freestyle arms/legs, leg action alternating and simultaneous, elementary backstroke arms/legs.

Goldfish: Expanding into more strokes. Swimming 15 yards of freestyle with side breathing, with a focus on proper side breathing technique, introduction of elementary backstroke, breaststroke arms/legs, dolphin/mermaid kick, and transitioning to the competitive pool.

Seal: We are developing our strokes techniques. Concentration on achieving a strong 25 yards of freestyle with proper side breathing, and elementary backstroke. Continuing to build proficiency with 15 yards of breaststroke, dolphin/mermaid kick, backstroke arms/legs while introducing the fundamentals of diving and 15 seconds of treading.

Stingray: Focus on improving strokes, building strength and endurance. 25 yards of freestyle with proper side breathing, elementary backstroke, breaststroke, dolphin/mermaid kick. Building proficiency with 15 yards of butterfly arms, diving skills, 20 seconds of treading, and introducing open turns.

Dolphin: Refining strokes and focusing on 50 yards of freestyle with proper side breathing, elementary backstroke, 25 yards of breaststroke, backstroke. Continuing to build proficiency with 15 yards of butterfly, diving skills, treading water with rotary legs, and introducing flip turns and a feet first surface dive.

Sharks: Swimming for fitness. 100 yards of freestyle, 50 yards elementary backstroke, breaststroke, backstroke, 25 yards butterfly, open turns, flip turns while swimming, circle swimming, diving, treading water, swimming with pool equipment.

LEGO Swim Lessons

Combining the fun of swimming with the excitement of playing with Lego. Our primary goal is to foster comfort and independence for students that may be more apprehensive towards water by creating an environment for students who may require more tactile support.

Special Note About Ceramics Classes

These are the most popular classes at the Folsom Art Center. They fill quickly and are often at full capacity. These classes are offered on a first-come, first-served basis when registration opens. The fastest way to register is online (see *below*).

If the class you want is full, please sign up online to be placed on a waiting list. The waiting list is specific to each class and does not roll over. Students must be able to demonstrate the described skills required for each class.

For those new to ceramics, please note the process involves many weeks to complete a piece including drying, trimming, bisque fire, glazing, and glaze fire. Pieces must be started and finished during each class session. (We do not have room to fire work created outside the class.) Typically, you will finish each class session with 2 to 3 pieces. Clay may be purchased in class from the instructor. See the materials list at registration for other required supplies.

What can you do to help ensure your registration process goes smoothly?

- Visit webtrac.folsom.ca.us and click on sign in/register to confirm your existing WebTrac account status or set up a new household/account. Call 916-461-6601 for assistance.
- Select your class and add it to your cart.
- Plan to register as soon as online registration opens.

Folsom's Adopt-A-Trail Program

Help Maintain Our Beautiful Trail System!

The Adopt-A-Trail program was developed by Folsom Parks & Recreation to provide the opportunity for community members and organizations to beautify, restore, and help maintain the city's treasured trail system. Through the dedication of our volunteers, the trail system receives the extra attention needed to help keep the trails maintained.

Trail sections are adopted in one-mile segments. Adopters are required to make a one-year commitment with regular trail checks and workdays. Individuals, groups, or businesses can also choose to sponsor a trail segment, and the funds will be used for trail maintenance and upkeep.

Introduction to Mindfulness

with Donna Rixmann

Mindfulness is a practice for lessening stress and enjoying life to its fullest. It can be applied to everything from brushing your teeth to being less reactive, kinder, and more compassionate to yourself and others.

In these 6-week, 90-minute sessions, you'll practice making friends with your "monkey mind" and enjoy the peace and mental clarity that comes as you begin to tame that "monkey."

The course includes talks, guided meditations, and small group activities to share and deepen your experience and learning. You can sit in a chair (provided) or bring a cushion or yoga mat to comfortably sit on the floor.

NEW! Stretch!
with Linda Faircloth

We'll be performing dynamic and static stretches standing, sitting, and on a mat throughout these 4 classes. You'll learn easy-to-remember stretches that you can do at home and will help alleviate aches, pains, soreness and tight muscles and joints. A word of caution: Stretching can cause relaxation! While your muscles are being stretched, they will also be working (and you might even work up a bit of a sweat). But after that, it's sweet dreams.

Walk and Talk

Folsom has 50+ miles of trails to explore as well as some amazing, active seniors who enjoy getting together to socialize while on the trails – which is how Walk and Talk began. Groups are led by our wonderful staff who go out ahead of the group and add directional markings to the trails and lead small groups based on their preferred walking pace (fast=3 miles/hour or average=2 miles/hour).

If you can walk or mobilize a minimum of 2 miles in one hour, we invite you to join us. With the safety of our participants in mind, please make sure you can say "yes" to the following requirements before you join us on the trails, as this program is designed for the independent, active senior.

- ✓ I can walk or mobilize a minimum of 2 miles in one hour.
- ✓ I can independently follow pre-set directional markers on the trail of the day.
- ✓ I can leave my pet at home. No dogs in our large group setting.
- ✓ I am ready and excited to meet new friends while enjoying the great outdoors on the trails.

In compliance with the Americans with Disabilities Act, if you are a disabled person and you need a disability-related modification or accommodation to participate in the program, please email strobee@folsom.ca.us or call 916-461-6601. Requests must be made as early as possible and at least three weeks before the event.

About the Folsom City Zoo Sanctuary

Since 1963, the Folsom Zoo Sanctuary has been dedicated to enriching the lives of the animals living at the sanctuary facility.

This is not your typical zoo! Our rescued domestic and wild animals come to live here for a variety of reasons: they're orphaned, have sustained life-threatening injuries, were illegal or discarded pets, or were victims of abuse or neglect. Our animal residents include black bears, cougars, and other native species, as well as exotic species like kinkajous and macaques. The zoo sanctuary provides a caring, forever home for these amazing creatures.

Our educational focus is to promote responsible and appropriate behavior toward all animals. Learn more about us at folsom.ca.us/zoo.

Join Us for Summer Zookeeper Camps!

Kids and teens will take part in age-appropriate hands-on activities and learn about the many tasks involved in the daily care of the zoo sanctuary animals. Learn more and register at webtrac.folsom.ca.us.

All aboard! The Folsom Valley Railway miniature steam train operates in Folsom City Lions Park near the zoo sanctuary entrance. The train typically operates on days the zoo sanctuary is open (*weather permitting*). Tickets are available for purchase onsite directly from the train operator. Find train schedules and more details at folsomvalleyrailway.com.

Folsom Zoo Sanctuary Friends

Free admission for a year! That's just one of the great benefits of becoming a member of the nonprofit Folsom Zoo Sanctuary Friends.

Our mission is to preserve and enhance a city treasure by assisting

in the enrichment of the lives of the animals living at the zoo sanctuary. Various membership and donation programs are available. Double your impact by applying for a matching gift through your employer's program.

The Board of Directors volunteer their time and are active in sponsoring Friends core programs and committees to support the needs of the zoo sanctuary. We are always on the lookout for passionate individuals with skills to assist us with accounting, communications, event planning, and more. Learn more about the Friends and join us at FolsomZooFriends.org or call 916-226-5445.

Summer Reading Challenge Begins May 24

READ FIVE BOOKS TO WIN

The Folsom Public Library invites you to join the 2024 Summer Reading Challenge! Sign up to read or listen to five books in June and July. Kids and teens completing the Challenge win a free book, a book bag, and entry into a drawing for a \$100 gift card. Adults reading five books earn a book bag and an entry into the drawing.

Participate by picking up the Challenge's bingo-style game card at the library or track your summer reading using the Library's Beanstack Tracker app. The one-of-a-kind app lets everyone track the amount they read by scanning ISBNs, timing reading sessions, or keeping records of current and past books completed. Sign up today at folsom.beanstack.org.

The Folsom Public Library offers summer activities for kids, including daily story times, weekly crafts and LEGO programs, and a monthly kids' book club. Visit the Library website at www.folsom.ca.us/library to find more information about the Summer Reading Challenge, Summer Events, or other library resources and programs.

The Summer Reading Challenge is funded by the Friends of the Folsom Library.

AMERICAN RIVER HISTORY: THEN AND NOW

Saturday, May 11 at 1 p.m. at the Folsom Public Library Meeting Room

Survey the Gold Rush history of the Folsom Lake State Recreation Area using historic and contemporary photographs set side-by-side. State Parks Interpretive Aide Zakary Adams will present Then and Now photos from the same vantage point so you can see the changes in the river and visualize the sunken settlements that are now underneath Folsom Lake.

This program is offered in partnership with the California State Parks.
