Proposed Entry Door

6' X 6'8" Steel Door

A roll of roofing material is shown, partially unrolled. The roll is wrapped in a light blue plastic covering. The unrolled portion shows a grey, granular surface. The material is placed on a wooden structure, possibly a roof or a storage area. The background consists of dark wooden planks.

Proposed Roofing Material
Roll Roofing colored White

Roof Material Brand

LIBERTY
SBS SELF-ADHERING CAP SHEET • FEUILLE DE FINITION AUTOADHÉSIVE SBS
PEEL & STICK ROOFING
ENLEVER ET COLLER TOITURE

-  Porches / Porches
 -  Garages / Garages
 -  Sheets / Feuilles
 -  Car Pops / Auto Adhésifs
- Granule surface reinforced for increased strength & durability
 - Polyester reinforced for increased strength
 - Easy peel & stick backing means no special tools, torches, or hot asphalt
 - La surface granulée est assortie aux bardeaux habituels
 - Renforcé de polyester pour une durabilité accrue
 - La pellicule facile à peler et coller élimine le besoin d'un outil spécial, d'une torche ou d'asphalte chaud
