

DON'T FLUSH YOUR MEDS

Flushing unused or expired prescription and over-the-counter medications down the sink or toilet can pollute the environment.

Proper disposal is easy!

- ✓ Look for a medication collection bin at your local:
 - pharmacy
 - medical provider
 - law enforcement station

For a full list of locations, visit DontRushToFlush.org

- ✓ Check your local Household Hazardous Waste Facility for disposal programs:

Sacramento County (916) 875-5555	Folsom (916) 461-6730
Elk Grove (916) 627-3232	Yolo County (530) 666-8856
	Free pick up for seniors and disabled (916) 617-4656

- ✓ Check website below for local take-back events.

DON'T FLUSH YOUR MEDS

HELP US PREVENT MEDICATION MISUSE AND KEEP THEM FROM ENTERING OUR WATERWAYS

Please dispose of unused prescription and over-the-counter medications responsibly.

Proper disposal is as easy as 1-2-3

1. Prior to drop-off, remove pills from containers and put in a clear zipper bag. Keep medicated liquids and creams in original containers.
2. Recycle your empty containers, but first scratch off or black out personal information.
3. Find a medication collection bin near you (see disposal options on reverse) and place zipper bags, liquids, and creams in the bin.

Only household prescription, over-the-counter, and pet medications are accepted. Controlled medications are accepted at select locations. No sharps or business waste.
