DATE: December 1, 2016
TO: Mayor and City Council Members
FROM: Finance Department
SUBJECT: RECEIVE AND FILE SB-165 ANNUAL REPORTS FOR COMMUNITY FACILITIES DISTRICTS NO. 13, NO. 14, NO. 2013-1, NO. 16, NO. 17, NO. 18, AND NO. 19 TO COMPLY WITH THE LOCAL AGENCY SPECIAL TAX BOND AND ACCOUNTABILITY ACT

BACKGROUND/ISSUE

The Local Agency Special Tax Bond and Accountability Act (the “Act”), enacted by Senate Bill 165, is codified in California Government Code Sections 50075 through 50077 and 53410 through 53412. The Act requires:

- that any local special tax measure subject to voter approval contain a statement indicating the specific single purpose of the special tax
- that the proceeds of the special tax be applied to that purpose
- the creation of an account into which the proceeds shall be deposited
- an annual report containing specified information concerning the use of the proceeds.

The Act imposes similar accountability requirements with respect to any local bond measure that is subject to voter approval that would provide for the sale of bonds by a local agency. These requirements only apply to local agencies that have imposed special taxes or issued bond measures subject to voter approval after January 1, 2001.

The City currently has seven such districts which have imposed special taxes or issued bond measures subject to voter approval after January 1, 2001. These districts are:

- Community Facilities District No. 13 (American River Canyon North Maintenance District)
- Community Facilities District No. 14 (Parkway II)
- Community Facilities District No. 2013-1 (Water Facilities and Supply)
- Community Facilities District No. 16 (The Islands at Parkshore)
- Community Facilities District No. 17 (Willow Hill Pipeline)
- Community Facilities District No. 18 (Folsom Plan Area – Area-Wide Improvements and Services)
- Community Facilities District No. 19 (Mangini Ranch)

The Chief Fiscal Officer of these seven districts hereby submits the annual reports for each of these districts.
POLICY/RULE

1. California Government Code, Section 50075.3 states the chief fiscal officer of the levying local agency shall file a report with its governing body no later than January 1, 2002 and at least once a year thereafter. The annual report shall contain both the following: (a) The amount of funds collected and expended; and (b) the status of any project required or authorized to be funded as identified in Section 50075.1(a).

2. California Government Code, Section 53411 states the chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002 and at least once a year thereafter. The annual report shall contain both the following: (a) The amount of funds collected and expended; and (b) the status of any project required or authorized to be funded as identified in Section 53410(a).

3. California Government Code, Section 50075.1(a) requires a statement indicating the specific purposes of the special tax.

4. California Government Code, Section 53410(a) requires a statement indicating the specific purposes of the bond.

ANALYSIS

Community Facilities District No. 13, American River Canyon North Maintenance District, was established July 24, 2001 primarily to fund the maintenance of landscape areas in American River Canyon North, as well as collecting for other authorized services. In fiscal year 2016, the district collected $94,863 and expended $72,479. The cash balance at year end was $107,795 and the status of the district is on-going.

Community Facilities District No. 14, Parkway II, was established September 25, 2001 to finance the acquisition and construction of certain public facilities within the district. $18,200,000 in bonds were issued May 9, 2002, and partially advance refunded July 19, 2007. In fiscal year 2016 the acquisition and construction fund had a year end balance of $186,685, and there is also a debt service reserve account totaling $1,412,318. The final maturity for the bonds in this district is September 1, 2032, and the status of the district is on-going.

Community Facilities District No. 2013-1, Water Facilities and Supply, was established January 14, 2014 to fund all or a portion of the water treatment and storage and distribution facilities, water supply costs, and other costs pursuant to the Water Supply and Facilities Plan and Agreement. In fiscal year 2016 the district collected $798,501 and expended $752,220. The cash balance at year end was $620,360, and the status of the district is on-going.

Community Facilities District No. 16, The Islands at Parkshore, was established March 10, 2015 to finance the acquisition and construction of certain public facilities within the district, and to fund ongoing maintenance of the improvements within the district. In fiscal year 2016 the district collected solely for maintenance an amount of $83,921 and expended $1,688. The cash balance at year end was $82,233, and the status of the district is on-going.

Community Facilities District No. 17, Willow Hill Pipeline, was established March 24, 2015 to finance water facilities, including the Willow Hill Transmission Pipeline construction and rehabilitation.
project, within or in the vicinity of CFD No. 17. In fiscal year 2016 the district funded its acquisition and construction fund with an initial amount of $5,700,000 from bond proceeds, and expended $2,000,000 for a balance of $3,700,00. The district also established a debt service reserve account with an initial deposit of $408,381, with revenues of $325 and expenses of $32, for a balance of $408,674. Amounts were also deposited to pay for the Underwriter’s discount and costs of issuance relating to the issuance of the Folsom Ranch Financing Authority Special Tax Revenue Bonds, Series 2015A; as of June 30, 2016 a balance of $19,079 remained in those two accounts.

Community Facilities District No. 18, Folsom Plan Area – Area-Wide Improvements and Services, was established December 8, 2015 to finance the Willow Hill Pipeline facilities, offsite water facilities, sanitary sewer system, aquatic center phase 1 and 2, quarry road, water infrastructure, interchanges, selected trails and roadway widenings, and other backbone facilities to serve the Folsom Plan Area. In addition, the planned services to be financed include the maintenance of parks, trails, landscape corridors, medians and open spaces; streets, street light and safety light maintenance; and storm drainage facilities maintenance. As of June 30, 2016 the district had no collections nor expenses. The status of the district is on-going.

Community Facilities District No. 19, Mangini Ranch, was established January 12, 2016 to finance public facilities improvements including transportation, water system, recycled water system, drainage system, wastewater system, park, parkway, and open space improvements; Specific Plan infrastructure fee infrastructure; and other expenses. Additionally, the authorized services to be funded from the levy include open space improvements, operations, and management; landscape corridor maintenance; street light, median, storm water, and community amenities maintenance; and miscellaneous cost related to any of the items described above. As of June 30, 2016 the district had no collections nor expenses. The status of the district is on-going.

RECOMMENDATION/CITY COUNCIL ACTION

The Finance Department recommends that the City Council receive and file SB-165 Annual Reports for Community Facilities Districts No. 13, No. 14, No. 2013-1, No. 16, No. 17, No. 18, and No. 19 to Comply with the Local Agency Special Tax Bond And Accountability Act.

Submitted by:

James W. Francis, Finance Director/CFO
SENATE BILL 165

Senate Bill 165, filed with the Secretary of State on September 19, 2000, enacted the Local Agency Special Tax and Bond Accountability Act. This Act requires that any local special tax or local bond measure subject to voter approval contain a statement indicating the specific purposes of the special tax, require that the proceeds of the special tax be applied to those purposes, require the creation of an account into which the proceeds shall be deposited, and require an annual report containing specified information concerning the use of the proceeds. The Act only applies to any local special tax measure or local bond measure adopted on or after January 1, 2001 in accordance with Section 50075.1 or Section 53410 of the California Government Code.

Some of the requirements of the Act are handled at the formation of the Special Tax District and others are handled through annual reports. This Section of this report intends to comply with Section 50075.3 or Section 53411 of the California Government Code that states:

“The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain all of the following:
(a) The amount of funds collected and expended.
(b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 50075.1 or Section 53410.”

The requirements of the Act apply to the Operating Fund for the following District(s):

Community Facilities District No. 13, American River Canyon North
Established July 24, 2001

Purpose of Special Tax

Community Facilities District No. 13, American River Canyon North ("CFD") primarily funds the maintenance of landscape areas of American River Canyon North included within the boundaries of the CFD. In addition to the maintenance costs, the CFD also provides funding for costs associated with collecting and administering the special taxes and annually administering the CFD. The special tax funds levied may pay for any authorized service. The City may also accumulate funds for authorized services. The CFD’s authorized services include the following:

1. The repair and maintenance of parkways, landscaping, open space, greenbelts, bikeways, irrigation facilities, soundwalls, street lights on arterial parkways, monuments and signs, and other appurtenance within and along public right-of-way.
2. Cost of scheduled inspections of the maintenance of landscaped areas.
3. Utility bills associated with the maintenance of landscaped areas.
4. CFD formation and annual administration costs.
5. Miscellaneous costs related to any of the items described above including planning, engineering, legal, and administration.

SENATE BILL 165

Senate Bill 165 enacted the Local Agency Special Tax and Bond Accountability Act (the “Act”). This Act requires that any local bond measure subject to voter approval contain a statement indicating the specific purposes of the bonds, require that the proceeds of the bonds be applied to those purposes, require the creation of an account into which the proceeds shall be deposited, and require an annual report containing specified information concerning the use of the proceeds. The Act only applies to bonds issued on or after January 1, 2001 in accordance with Section 53410 of the California Government Code.

Some of the requirements of the Act are handled at the formation (bond issuance) of the Special Tax District and others are handled through annual reports. This report intends to comply with Section 53411 of the California Government Code that states:

“The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain all of the following:

(a) The amount of funds collected and expended.
(b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 53410.”

The requirements of the Act apply to the funds of:

City of Folsom
Community Facilities District No. 14 (Parkway Phase II)
Established September 25, 2001

Purpose of Special Tax

Community Facilities District No. 14 (Parkway Phase II) (“CFD”) provided funds to finance the acquisition and construction of certain public facilities and the payment of certain fees relating to public facilities generally described as the construction of portions of Blue Ravine Road, Parkway Drive, East Natoma Street and the Oak Avenue Parkway/Blue Ravine Road Intersection, together with street lights, soundwalls and landscaping and hardscape improvements, the construction of drainage improvements within Humbug/Willow Creek Parkway, improvements to the existing sewer lift station at Willow Creek Parkway and related force mains and the construction of fire facilities and parks within the CFD.

SENATE BILL 165

Senate Bill 165, filed with the Secretary of State on September 19, 2000, enacted the Local Agency Special Tax and Bond Accountability Act (the "Act"). This Act requires that any local special tax or local bond measure subject to voter approval contain a statement indicating the specific purposes of the special tax, require that the proceeds of the special tax be applied to those purposes, require the creation of an account into which the proceeds shall be deposited, and require an annual report containing specified information concerning the use of the proceeds. The Act only applies to any local special tax measure or local bond measure adopted on or after January 1, 2001 in accordance with Section 50075.1 or Section 53410 of the California Government Code.

Some of the requirements of the Act are handled at the formation of the Special Tax District and others are handled through annual reports. This Section of this report intends to comply with Section 50075.3 or Section 53411 of the California Government Code that states:

"The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain all of the following:
(a) The amount of funds collected and expended.
(b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 50075.1 or Section 53410."

The requirements of the Act apply to the operating fund for the following district:

City of Folsom
Community Facilities District No. 2013-1 (Water Facilities and Supply)
Established January 14, 2014

Purpose of Special Tax

Water Treatment, Storage and Distribution Facilities
Generally, all work and improvements to design, construct, install and upgrade the public water treatment, storage and distribution facilities described below, all to be located on public property (whether the dedicated road right-of-way, dedicated easements, or publicly-owned land), including but not limited to mobilization, clearing, grubbing, tree removal, protective fencing and erosion control, dewatering, lime treatment, trenching, and related appurtenant work and facilities, together with the costs and expense of engineering design, plan review, construction-related surety bonds or like security instruments, construction staking and management, inspection, permitting costs, and any like fees and costs incidental to such construction and installation for the following items:

- Water Systems Optimization Review Program costs including:
  - Costs for engineering, tests and studies, legal and other professional services and project administration
  - Willow Hill pipeline lining improvement costs
- Water treatment, pumping and conveyance facilities required to treat, pump and convey water from the City's water treatment plant to the Folsom Plan Area Specific Plan including:
  - Water treatment plant upgrades
  - Pump station, booster pumps and related appurtenances
  - Additional water conveyance facilities and connections

Water Supply Costs
Annual water supply costs to the City pursuant to the Water Supply and Facilities Plan and Agreement between the City of Folsom and Certain Landowners in the Folsom Plan Area recorded on January 24, 2013.
Other Costs
In addition to the above facilities, other incidental expenses as authorized by the Mello-Roos Community Facilities Act of 1982, including, but not limited to, the cost of planning and designing the facilities (including the cost of environmental evaluation and environmental remediation); engineering and surveying; construction staking; utility relocation and demolition costs incidental to the construction of the public facilities; costs of project/construction management; costs (including the costs of legal services) associated with the formation of the district; issuance of bonds (if any); determination of the amount of taxes; collection of taxes; payment of taxes; costs of calculating and providing reimbursements from one-time special tax payments; or costs otherwise incurred in order to carry out the authorized purposes of the district; and any other expenses incidental to the formation and implementation of the district and to the construction, completion, inspection and acquisition of the authorized facilities.

City of Folsom
Community Facilities District No. 16 (The Islands at Parkshore)
Improvement Area No. 1 and Improvement Area No. 2
Established March 10, 2015

Purpose of Special Tax

Facilities
The planned public facilities for Community Facilities District No. 16 (The Islands at Parkshore) ("CFD") include the following: construction of sanitary sewers (including gravity sewers, manholes and appurtenances), storm drains (including inlets, outlets, channels, structures, junctions, manholes and catch basins), water facilities (including distribution mains and appurtenances), power, telephone and gas utilities, street improvements (including curbs, gutters, sidewalks, landscaping and striping, traffic signals and street lights), bridge improvements, park improvements, landscaping and slope planting, all within or in the vicinity of the CFD. The public facilities shall include all related clearing and grubbing, grading and appurtenances, and any removal or temporary signage or markings related thereto.

All street and bridge improvements include widening, paving and/or re-paving, striping, and/or re-striping, pedestrian sidewalks or other related improvements or appurtenances, and utilities are located within the public right of way.

All facilities and related costs eligible to be funded include all City development impact fees, sewer connection fees, water connection fees, drainage fees, traffic mitigation fees, park fees, and other City fees related to facilities.

All public facilities shall include attributed costs of engineering, design, planning, construction staking, materials testing and coordination of the public facilities. The public facilities should be constructed pursuant to plans and specifications approved by the City (or other governmental entity that will own and operate the same).

The foregoing description of the types of facilities eligible to be financed is general in nature and includes any appurtenant work and incidental expenses relating to the facilities. The final nature and location of the facilities will be determined upon the preparation of final plans and specifications for such facilities.
Services
It is intended that the CFD will be eligible to fund all or a portion of the costs of construction, operation, maintenance, repair, and servicing of parks, landscaping and irrigation improvements, street and landscape lighting, fencing and/or walls, sidewalks, trails, pathways, water quality/drainage basins, wetlands, and appurtenant facilities within or adjacent to the CFD.

The CFD may fund any of the following related to the maintenance of the services described above: obtaining, repairing, reconstructing, furnishing, operating and maintaining equipment, apparatus or facilities related to providing the services and/or equipment, apparatus, facilities or fixtures in areas to be maintained, paying the salaries and benefits of personnel necessary or convenient to provide the services, and other related expenses and the provision of reserves for repairs and replacements and for the future provision of services. It is expected that the services will be provided by the City, either with its own employees or by contract with third parties, or any combination thereof. The CFD may also fund administrative fees of the City related to the CFD.

"The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain all of the following:
(a) The amount of funds collected and expended.
(b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 50075.1 or Section 53410."

The requirements of the Act apply to the operating fund for the following district:

City of Folsom
Community Facilities District No. 17 (Willow Hill Pipeline)
Established March 24, 2015

Purpose of Special Tax

The planned public facilities for Community Facilities District No. 17 (Willow Hill Pipeline) ("CFD") include the following: water facilities (including the Willow Hill Transmission Pipeline construction and rehabilitation project, and all ancillary work necessary or appropriate related thereto), all within or in the vicinity of the CFD. The public facilities shall include all related clearing and grubbing, grading and appurtenances, and any removal or temporary signage or markings related thereto.

CFD bond proceeds may not be used to pay, or reimburse previously-paid, development related fees, including, but not limited to, development impact fees, City community services fee, development processing fees, school fees, sewer connection fees, water connection fees, drainage fees, traffic mitigation fees, and other City fees related to facilities.

All public facilities shall include attributed costs of engineering, design, planning, construction staking, materials testing and coordination of the public facilities. The public facilities should be constructed pursuant to plans and specifications approved by the City (or other governmental entity that will own and operate the same).

The foregoing description of the types of facilities eligible to be financed is general in nature and includes any appurtenant work and incidental expenses relating to the facilities. The final nature and location of the facilities will be determined upon the preparation of final plans and specifications for such facilities.

SENATE BILL 165

Senate Bill 165, filed with the Secretary of State on September 19, 2000, enacted the Local Agency Special Tax and Bond Accountability Act (the "Act"). This Act requires that any local special tax or local bond measure subject to voter approval contain a statement indicating the specific purposes of the special tax, require that the proceeds of the special tax be applied to those purposes, require the creation of an account into which the proceeds shall be deposited, and require an annual report containing specified information concerning the use of the proceeds. The Act only applies to any local special tax measure or local bond measure adopted on or after January 1, 2001 in accordance with Section 50075.1 or Section 53410 of the California Government Code.

Some of the requirements of the Act are handled at the formation of the Special Tax District and others are handled through annual reports. This Section of this report intends to comply with Section 50075.3 or Section 53411 of the California Government Code that states:

"The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain all of the following:
(a) The amount of funds collected and expended.
(b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 50075.1 or Section 53410."

The requirements of the Act apply to the operating fund for the following district:

City of Folsom
Community Facilities District No. 18 (Folsom Plan Area – Area-Wide Improvements and Services)
Established December 8, 2015

Purpose of Special Tax

Facilities
The planned public facilities for Community Facilities District No. 18 (Folsom Plan Area – Area-Wide Improvements and Services) ("CFD") include the following:

Willow Hill Pipeline Facilities – These facilities consist of water facilities (including the Willow Hill Transmission Pipeline construction and rehabilitation project, and all ancillary work necessary or appropriate related thereto), all within or in the vicinity of the CFD. The improvements shall include all related clearing and grubbing, grading and appurtenances, and any removal or temporary signage or markings related thereto.

Off-site Water Facilities – These facilities consist of existing and new facilities such as a water treatment plant, a pump station and expansion thereof, transmission pipelines, reservoirs, and the distribution system to serve the Folsom Plan Area.

Sanitary Sewer System – These facilities include a series of transmission pipelines, pump stations, and force mains, to serve the Folsom Plan Area.

Aquatic Center Phase 1 – These facilities include a competitive swimming pool, a recreation activity pool, and related support pool-related buildings and structures, such as maintenance and locker room facilities, which will serve the Folsom Plan Area.

Quarry Road – These facilities include the special road design along Prairie City Road from U.S. Highway 50 to White Rock Road or alternative route to accommodate heavy truck traffic to and from potential future aggregate quarry sites south of the Folsom Plan Area as identified in the City's Truck Management Plan approved by the City Council on December 6, 2011 via Resolution 8933.
Water Infrastructure – These facilities include the development of water pipelines, booster pump stations, pressure regulating stations, water treatment plant, water reservoirs, land costs, off-site capacity building, and systems optimization efforts throughout the CFD.

Aquatic Center Phase 2 – These facilities include a community center, gymnasium, multi-purpose classrooms, a senior center, teen activity rooms which will serve the Folsom Plan Area.

Selected Trails – These facilities consist of a portion of the 30 miles of trails proposed to be built in the Folsom Plan Area. The comprehensive bike system consists of Class I paths and Class II bike lanes connecting residential neighborhoods with schools, parks, and other major destinations. The plan costs include trails, intersection protection, trail bridges, undercrossings, and design fees.

Interchanges – These facilities include the modifications to existing interchanges and the construction of new Highway 50 interchange improvements including the acquisition of land.

Selected Roadway Widenings – These facilities include the necessary infrastructure improvements to widen the Oak Avenue, Empire Ranch Road, and Prairie City Road from two to four lanes.

Other Backbone Facilities – These consist of additional backbone public facilities needed to serve the Folsom Plan Area. The additional backbone public facilities include parks, transit services, fire facilities and equipment, police facilities and equipment, municipal service center, corporation yard, solid waste, branch library, and transportation.

All facilities shall include attributed costs of engineering, design, planning, construction staking, materials testing and coordination of the facilities. The facilities should be constructed pursuant to plans and specifications approved by the City (or other governmental entity that will own and operate the same).

The foregoing description of the types of facilities eligible to be financed is general in nature and includes any appurtenant work and incidental expenses relating to the facilities. The final nature and location of the facilities will be determined upon the preparation of final plans and specifications for such facilities.

Services
The planned services to be financed by the CFD include the following: park, trail, landscape corridor, median, and open space maintenance; street, street light and safety light maintenance; and storm drainage facilities maintenance.

The CFD annual maintenance functions and costs generally will include the installation, maintenance and servicing of turf, ground cover, shrubs and trees, irrigation systems, drainage facilities and drainage systems, street lighting, fencing, soundwalls, sidewalks, monuments, statuary, fountains, water quality ponds, park facilities, open space maintenance including but not limited to maintaining the open space areas located adjacent to avoided or created habitat mitigation areas and other buffer areas between the open space and vertical development, bike trails, walkways, drainage swales and other ornamental structures and facilities, entry signage, street pavers, art work, and monuments and all necessary appurtenances, and labor, materials, supplies, utilities (including water and electricity) and equipment, as applicable, for property owned or maintained by the City. Annual maintenance costs include an allowance for long-term repair and replacement of improvements.

The CFD may fund any of the following related to the maintenance of the services described above: obtaining, repairing, reconstructing, furnishing, operating and maintaining equipment, apparatus or facilities related to providing the services and/or equipment, apparatus, facilities or fixtures in areas to be maintained, paying the salaries and benefits of the personnel necessary or convenient to provide the services, and other related expenses and the provision of reserves for repairs and replacements for the future provision of services. It is expected that the services will be provided by the City, either with its own employees or by contract with third parties, or any combination thereof. The CFD may also fund administrative fees of the City related to the CFD.
