Historic District Commission
Special Workshop - October 7, 2020
Topics

• Focus is on new zoning district proposal
• Future workshop topics will include
  • Parking
  • Signage
  • Regulation of entertainment uses
• No rezoning or other action tonight
• Review and comment only
Purpose

• Seek Commission and public input on new zoning proposal for the Historic District.
Background

Historic District Commission Workshop
Background: Zoning Code Update

- Feb. 2019: Council directs staff and consultant team to start update
- April 2019: Special Council/Commission workshop on update
- May 2019: Community workshop
- May - June 2019: Zoning issues survey
- October 2019: HDC Initial Zoning Workshop
- 2-year effort concludes Spring 2021
- More workshops planned with PC, HDC, and Council
Multiple Layers of Regulation:

- 2035 General Plan Land Use Regulations
- Citywide Zoning Districts
- Chapter 17.52 of the Folsom Municipal Code (FMC) for Historic District
  - Divides District into Primary Areas with Subareas
  - Each area has its own standards
- Historic District Design and Development Guidelines
- Results in conflicting requirements and confusion

New Zoning Proposal

Historic District Commission Workshop
New Proposed Districts

New zoning districts based on primary areas and subareas:

- HD-CEN: Central Subarea - Residential focus
- HD-FIG: Figueroa Subarea - Residential focus
- HD-NRB: Natoma-Riley-Bidwell Area - Mixed commercial and residential focus
- HD-OSP: Open Space/Public Area - Open space, park, and public/quasi-public focus
- HD-PRD: Persifer-Dean Subarea - Residential focus
- HD-RWK: Railroad Wye Subarea - Industrial focus
- HD-RES: Resort Subarea - Industrial/corporation yard focus
- HD-RIV: River Way Subarea - Residential focus
- HD-SUT: Sutter Street - Commercial and mixed-use focus
- HD-PRE: The Preserve - Residential focus
New Zoning, Land Use and Subareas

Proposed Zoning
Proposed Elements for Districts

Each new HD Zoning District includes:

1. **Allowed Uses**
   - Allowed Uses - Permitted by right
   - Administratively Permitted Uses - Requires staff-level AUP
   - Conditionally Permitted Uses - Requires Commission-level CUP

2. **Development Standards**
   - From Chapter 17.52, HD Design and Development Guidelines, and best practices

3. **Objective Design Standards**
   - From Chapter 17.52, HD Design and Development Guidelines, and best practices
   - Will include illustrations of design standards to assist user
Zoning Examples

• Only two detailed examples are shown:
  • HD-FIG (Figueroa) Zone – residential use
  • HD-NRB (Natoma-Riley-Bidwell) Zone – mix of residential and commercial uses

• If Commission supports this new approach:
  • Staff will complete all the zoning districts; and
  • Staff will return for a review of the completed draft document

Objective Design Standards

• Senate Bill 330 (2019) new requires the use of objective design standards for housing
• Staff developed draft objective design standards that reflect preferred architectural styles for each area
• Based on styles described in the Historic District Design and Development Guidelines
• Also used design standards from Chapter 17.62 of Zoning Code
• Included best practices too
• Objective design standards to be used by staff and Commission for design review to evaluate projects
What is an Objective Design Standard?

From Government Code Section 66300(a)(7):

“Objective design standard” means a design standard that involves no personal or subjective judgment by a public official and is uniformly verifiable by reference to an external and uniform benchmark or criterion available and knowable by both the development applicant or proponent and the public official before submittal of an application.

Key Features from HD DDGs: **Craftsman Style**

**Character-Defining Elements:**

- Low-pitched cross-gabled, side-gabled, or hipped roof with unenclosed eave overhang
- Exposed roof rafters and decorative beams or braces under gables
- Prominent single-story entry porch with roof supported by piers/columns with square bases that extend to the ground
- Sash windows with multiple small panes above single large pane
- Clapboard or shingle siding and wooden accents
Key Features from HD DDGs: **QUEEN ANNE STYLE**

**Character-Defining Elements:**

- Steeply pitched roof with dominant front facing gable
- Ornamental gable with textured shingles
- Partial or full-width asymmetrical porch (on ones-side of front)
- Multi-paneled upper window surrounding large windowpane
- Horizontal wood siding (3”-4” inches)
- Angled bay cut-away
Example Objective Design Standards:
CRAFTSMAN STYLE

- A roof pitch between 3/12 and 8/12
- Front-gabled, side-gabled or cross-gabled roof with unenclosed eave overhang
- Exposed roof rafters or braces under gables
- Vertical single or double hung windows with smaller panes above large pane
- Horizontal siding that is 2.5” - 6” inches wide
- Entry porch with roof supported by tapered columns with square bases that extend to the ground

Optional: Shed or gabled roof dormer
Example Objective Design Standards: **QUEEN ANNE STYLE**

- Scalloped scale shingles with vent at end of forward-facing gable
- Entry porch with narrow columns
- High pitched hipped roof with cross gables
- Vertical single or double hung windows
- Horizontal siding

**Design Standards:**
- A steep roof pitch between 8/12 and 18/12
- Hipped roof or gabled roof
- Scalloped scale shingles with window or vent at gable end
- Vertical rectangular single or double hung windows with small pane above large pane
- Horizontal siding that is 2.5” - 6” inches wide
- Entry porch with narrow columns
- **Optional**: Forward-facing gable
- **Optional**: Angled bay cut away with windows.
Key Questions and Discussion

1. Is this the right approach to new HD zoning?
2. Do you support the proposed changes?
3. Are the design standards for each district useful?
4. Are the design standards clear?
5. Is anything important missing?
Next Steps

• Based input, staff will complete rest of the HD zoning districts and return to HDC for review
• Additional workshops will be held later this fall on additional topics
• Public review draft will be available in early spring 2021
• Spring 2021, Zoning Code adoption hearings at Commissions and Council
