CITIZEN COMMUNICATION: The Planning Commission welcomes and encourages participation in City Planning Commission meetings, and will allow up to five minutes for expression on a non-agenda item. Matters under the jurisdiction of the Commission, and not on the posted agenda, may be addressed by the general public; however, California law prohibits the Commission from taking action on any matter which is not on the posted agenda unless it is determined to be an emergency by the Commission.

MINUTES

The minutes of February 20, 2019 will be presented for approval.

NEW BUSINESS

1. PN 19-013, Parkway Apartment Community Planned Development Permit Extension

A Public Hearing to consider a request from The Pacific Companies for approval of a Planned Development Permit Extension for development and operation of a 72-unit affordable apartment community on a 10.1-acre site located at the southwest corner of the intersection of Blue Ravine Road and Oak Avenue Parkway. The zoning classification for the site is SP 93-3 and the General Plan land-use designation is MHD. A Mitigated Negative Declaration and Mitigation Monitoring Program were previously approved for the Parkway Apartment Community project (PN 16-171) on March 15, 2017 in accordance with the California Environmental Quality Act (CEQA). Staff has determined that no new impacts will result from this extension that were not already considered with the previous approval. In addition, staff has determined that none of the events described in PRC Section 21166 or CEQA Guidelines Section 15162 (e.g. substantial changes to the project) have occurred. No further environmental review is required. **(Project Planner: Principal Planner, Steve Banks / Applicant: The Pacific Companies)**

2. PN 19-079, Mangini Ranch Villages 8 and 9 Residential Design Review

A Public Hearing to consider a request from Lennar Homes for Residential Design Review approval for 181 single-family residential units located within Villages 8 and 9 of the Mangini Ranch Phase 1 Subdivision situated within the Folsom Plan Area. The specific plan designation for the site is SP-SFHD PD and the General Plan land-use designation is SFHD. The City, as lead agency, previously determined that the Mangini Ranch Subdivision project is entirely consistent with the Folsom Plan Area Specific Plan (FPASP) and therefore the project is exempt from the California Environmental Quality Act as provided by Government Code section 65457 and CEQA Guidelines section 15182. Since that determination was made, none of the events described in Public Resources Code section 21166 or CEQA Guidelines section 15162 (e.g. substantial changes to the project) have occurred. Therefore, no environmental review is required in association with this design review application. **(Project Planner: Principal Planner, Steve Banks / Applicant: Lennar Homes)**
