Recommendation: Conduct a public hearing and upon conclusion recommend approval of an application to demolish a 1,663-square-foot residential structure located at 506 ½ Mormon Street (PN 18-415) subject to the findings included in this report and attached conditions of approval.

Project Summary: The proposed project includes demolition of a 1,415-square-foot residential structure and attached 248-square-foot garage. The structure is built on the rear property line of a parcel that contains two additional residences, a detached garage and a detached shed. The structure does not meet current side and rear setback requirements, and has several structural and architectural issues. The structure is not historically significant and contains no historically significant building materials. The structure is not listed on the City of Folsom’s Historical Properties Inventory list. Therefore, staff supports the demolition of the structure.

DESCRIPTION/ANALYSIS

APPLICANT’S PROPOSAL
The applicant, Tom Moore, is proposing to demolish the 1,663-square foot building at the rear of the property with the address 506 ½ Mormon Street. The applicant plans to build a structure in the future at this location that conforms to existing setback and size regulations.

POLICY/RULE
Demolition of structures located in the Historic District is subject to review by the Historic District Commission, per Section 17.52.660 of the Folsom Municipal Code.

ANALYSIS
In order to approve a request for demolition of a structure considered historically significant, per FMC Section 17.52.660, the Commission must consider the following:

1. Whether the public health, safety and/or welfare warrant the demolition;

2. What accommodations can be provided to the owner of the property to make it feasible for the owner to preserve the property;

3. Whether the owner of the property is willing to sell the property to a buyer who wishes to preserve the property; and

4. Whether a public entity wishes to acquire the property through exercise of the power of eminent domain in order to preserve the property.

Section 4.13 of the Historic District Design and Development Guidelines (DDGs) explains that demolition of structures with historic value should be approved only when all other options have been exhausted by the property owner and the City. On the other hand, Section 4.13 also makes clear that demolition may be more readily approved for structures which do not comply with the goals, policies, and regulations of FMC Chapter 17.52 and the DDGs themselves.

This structure is not historically significant and contains no historically significant building materials. The structure is not listed on the City of Folsom’s Historical Properties Inventory list. The structure is built to the side and rear property lines (as shown in Attachment 5) and is in poor structural condition. Furthermore, the disparate uses of siding and windows show no particular architectural style. Therefore, staff supports the demolition of the existing structure.
ENVIRONMENTAL REVIEW
The project is categorically exempt under Section 15301 Existing Facilities of the California Environmental Quality Act (CEQA). Based on staff's analysis of this project, none of the exceptions in Section 15300.2 of the CEQA Guidelines apply to the use of the categorical exemption(s) in this case.

RECOMMENDATION/HISTORIC DISTRICT COMMISSION ACTION
Move to approve the building demolition (PN 18-415) located at 506 ½ Mormon Street, with the below findings and the conditions of approval included as Attachment 3 to this report.

GENERAL FINDINGS

A. NOTICE OF HEARING HAS BEEN GIVEN AT THE TIME AND IN THE MANNER REQUIRED BY STATE LAW AND CITY CODE.

B. THE PROJECT IS CONSISTENT WITH THE GENERAL PLAN AND THE ZONING CODE OF THE CITY.

CEQA FINDINGS

C. THE PROJECT IS CATEGORICALLY EXEMPT FROM ENVIRONMENTAL REVIEW UNDER SECTION 15301 EXISTING FACILITIES OF THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA).

D. THE CUMULATIVE IMPACT OF SUCCESSIVE PROJECTS OF THE SAME TYPE IN THE SAME PLACE, OVER TIME IS NOT SIGNIFICANT IN THIS CASE.

E. NO UNUSUAL CIRCUMSTANCES EXIST TO DISTINGUISH THE PROPOSED PROJECT FROM OTHERS IN THE EXEMPT CLASS.

F. THE PROPOSED PROJECT WILL NOT CAUSE A SUBSTANTIAL ADVERSE CHANGE IN THE SIGNIFICANCE OF A HISTORICAL RESOURCE.

DEMOLITION FINDING

G. THE STRUCTURE PROPOSED TO BE DEMOLISHED IS NOT CONSIDERED HISTORICALLY SIGNIFICANT.
BACKGROUND
The 1,663-square-foot structure at 506 ½ Mormon Street was likely first constructed sometime before 1936 (when the current owner’s family first purchased the lot). Building Permit activity indicates that the structure had gone through several additions and remodels, with the last major improvements occurring in the 1970’s. The structure sits on the side and rear property lines of the lot, as shown in Attachment 5. The building includes several disparate types of siding, including vertical board and batten, tear drop, stucco, and two sizes of v-rustic board. Window types are also inconsistently applied throughout the building. The applicant has provided a narrative and images of the buildings on the lot, including the building proposed to be demolished, included here as Attachment 6.

The applicant wished to modify and update the existing structure, but due to setback issues, as well as several issues regarding foundation, roof, dry rot and insulation issues, this was not deemed feasible. As such, the applicant is proposing to demolish the existing building to build a new unit in the future that meets Folsom Municipal Code setback standards, as well as the design standards of the Design and Development Guidelines.

506 ½ Mormon St. Remodel Project

- The 506 ½ building has become a challenge to maintain and the challenges continue to increase over time.

- There are many floor and foundation issues:
  - The slab floors have cracked and heaved.
    - During the wet seasons ground water seeps up through the cracks and floods the living space.
    - The heaves are a tripping hazard.
  - The slabs were poured over many remodels and are at different levels presenting additional tripping hazards.

- There is a horizontal valley in the roof that is prone to leak

- Dry rot all around.

- Poorly insulated.

- The internal layout is bad.
  - No hallways, just walk through rooms

Recommendation: Conduct a public hearing and upon conclusion recommend
approval of a Conditional Use Permit Modification application to allow for liquor service
and sales within the existing Escape Folsom business at 727 Traders Lane (PN 18-404)
subject to the findings included in this report and the attached conditions.

Project Summary: The proposed project includes modifying the existing Conditional
Use Permit (PN 16-368) for an escape room business that includes bar and food service.
Condition No. 1 of the approved Conditional Use Permit limited alcohol service to beer
and wine. The applicant is proposing that this condition be modified to allow for liquor to
be sold and consumed on-site as well. No other conditions, including the approved
hours, are proposed to me modified under this request. The bar would continue to stay
open between 11:30 a.m. and 1:00 a.m.

APPLICANT'S PROPOSAL
The applicant, Jim Carey, is proposing to modify the existing Conditional Use Permit (PN 16-368) for an escape room business that includes bar and food service. Condition No. 1 of the approved Conditional Use Permit limited alcohol service to beer and wine. The applicant is proposing that this condition be modified to allow for liquor to be sold and consumed on-site as well. No other conditions, including the approved hours, are proposed to be modified under this request. The bar would continue to stay open between 11:30 a.m. and 1:00 a.m.

The existing business consists of five escape rooms with a total of 3,100 square feet, a 1,400-square-foot bar and lounge area, and a 1,000-square-foot kitchen. Escape rooms are themed game rooms in which groups of 8 to 10 people must use elements of the room to solve puzzles within a given time period (between 30 and 60 minutes) and "escape" the room before the clock runs out.

POLICY/RULE
Conditional Use Permit review for the Historic District Commission is covered by Section 17.52.360 of the Folsom Municipal Code. Condition No. 9 of the existing Conditional Use Permit (PN 16-368) for this business states that any intensification or expansion of the use requires a Conditional Use Permit Modification approval by the Historic District Commission.

ANALYSIS
Conditional Use Permit Modification
In order to approve this request for a Conditional Use Permit modification, the Commission must find that the "establishment, maintenance, or operation of the use or building applied for will not, under the circumstances of the particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood, or to the general welfare of the City".

In evaluating the Conditional Use Permit, staff considered the proposed use and its compatibility with existing land uses in the area relative to traffic/access/circulation impacts, parking impacts, and noise impacts, among others. With respect to traffic/access/circulation and parking-related impacts, staff does not anticipate any significant impacts beyond what was previously approved as the proposed use remains very limited in nature. The property is adjacent to a public parking lot intended to accommodate parking needs for businesses along Sutter Street. As is typical for commercial properties in the Sutter Street Subarea, this existing public parking will be
utilized for this establishment.

In relation to noise-related impacts, the 100-square-foot patio where alcohol may be consumed was previously conditioned to be closed Wednesday night between 7:00 p.m. and 8:00 p.m. and Sunday morning between 10:00 a.m. and 11:00 a.m. to avoid impacts to the nearby church during their services. Furthermore, no entertainment or amplified sound was permitted outdoors. These conditions are to remain in place under the Conditional Use Permit Modification. With these conditions in place, staff concludes that the potential noise generated by the escape room with bar and lounge will continue to be acceptable.

The proposed use will require the issuance of an alcohol beverage license from the California Department of Alcoholic Beverage Control (ABC). All required noticing is subject to ABC approval. The applicant is not requesting a change in the approved bar hours of Monday-Sunday between 11:30 a.m. and 1:00 a.m. the following morning. Staff has conditioned that these hours be maintained. These hours, including the prohibition of alcohol service during church services, have been included under Condition No. 12.

**Public Comments**
The First Church of Christ, Scientist at 731 Traders Lane sent a letter (Attachment 7) to City staff stating that prior businesses at the project site led to incidents of alcohol-related vandalism to the church. They state that they have a church service on Wednesday nights from 7:00-8:00 p.m. and are concerned about alcohol being served and noise during that time. Finally, they state that they are concerned about patrons of Escape Folsom using the church property as a smoking area and littering on their property. Staff notes that conditions are in place to keep the patio closed during the Wednesday evening services. Staff has concluded that the sale of liquor at the bar does not necessitate further conditions beyond what was previously conditioned to address these issues.

**ENVIRONMENTAL REVIEW**
The project is categorically exempt under Section 15301 Existing Facilities of the California Environmental Quality Act (CEQA). Based on staff’s analysis of this project, none of the exceptions in Section 15300.2 of the CEQA Guidelines apply to the use of the categorical exemption(s) in this case.

**RECOMMENDATION/HISTORIC DISTRICT COMMISSION ACTION**
Move to approve the Escape Folsom Conditional Use Permit Modification (PN 18-404) located at 727 Traders Lane, with the below findings and the conditions of approval included as Attachment 3 to this report.
GENERAL FINDINGS

A. NOTICE OF HEARING HAS BEEN GIVEN AT THE TIME AND IN THE MANNER REQUIRED BY STATE LAW AND CITY CODE.

B. THE PROJECT IS CONSISTENT WITH THE GENERAL PLAN AND THE ZONING CODE OF THE CITY.

CEQA FINDINGS

C. THE PROJECT IS CATEGORICALLY EXEMPT FROM ENVIRONMENTAL REVIEW UNDER SECTION 15301 EXATING FACILITIES OF THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA).

D. THE CUMULATIVE IMPACT OF SUCCESSIVE PROJECTS OF THE SAME TYPE IN THE SAME PLACE, OVER TIME IS NOT SIGNIFICANT IN THIS CASE.

E. NO UNUSUAL CIRCUMSTANCES EXIST TO DISTINGUISH THE PROPOSED PROJECT FROM OTHERS IN THE EXEMPT CLASS.

F. THE PROPOSED PROJECT WILL NOT CAUSE A SUBSTANTIAL ADVERSE CHANGE IN THE SIGNIFICANCE OF A HISTORICAL RESOURCE.

CONDITIONAL USE PERMIT FINDING

G. AS CONDITIONED, THE ESTABLISHMENT, MAINTENANCE OR OPERATION OF THE USE APPLIED FOR WILL NOT, UNDER THE CIRCUMSTANCES OF THIS PARTICULAR CASE, BE DETRIMENTAL TO THE HEALTH, SAFETY, PEACE, MORALS, COMFORT, AND GENERAL WELFARE OF PERSONS RESIDING OR WORKING IN THE NEIGHBORHOOD, OR BE DETRIMENTAL OR INJURIOUS TO PROPERTY AND IMPROVEMENTS IN THE NEIGHBORHOOD OR TO THE GENERAL WELFARE OF THE CITY, SINCE THE PROPOSED USE IS COMPATIBLE WITH SIMILAR COMMERCIAL USES IN THE SURROUNDING NEIGHBORHOOD.
BACKGROUND

The building located at 727 Traders Lane has entrances fronting both Sutter Street and Traders Lane. In 2009, the Historic District Commission approved a Conditional Use Permit for the Yagers 727 bar to operate a bar/restaurant establishment that featured live music and dancing 3 to 5 evenings per week. This Conditional Use Permit expired in 2013 due to the use being discontinued for over a year.

At its April 5, 2017 meeting, the Historic District Commission approved an application for a Conditional Use Permit for an escape room with bar and food service and an outdoor patio located at 727 Traders Lane (PN 16-368). The aforementioned project featured an escape room business with a beer and wine bar and food service.

The bar area is primarily utilized by customers of the escape rooms to have a drink (currently beer and wine only) and food before or after their escape room experience. Parents or others not participating in the escape room experience may also utilize the bar and lounge area. For safety purposes, no food or drinks from the bar/lounge is allowed inside the escape rooms. However, the outdoor patio along Traders Lane (approximately 100 square feet) is authorized for alcohol consumption. This patio is conditioned not be used Wednesdays between 6:30 p.m. and 8:30 p.m. and Sundays between 10:00 a.m. and 11:30 a.m., while the First Church of Christ, Scientist is conducting services. No set-up for the escape rooms or proposed entertainment can occur on the patio during these hours.

Furthermore, events including karaoke nights, trivia nights, and music performances (acoustical artists only) are permitted in the lounge area once per week to draw in people for exposure to the escape room business. These events are approved to occur for two hours, between the hours of 7:00 p.m. and 10:00 p.m., and are anticipated to draw approximately 25 people per event.

The approved regular hours of operation are as follows:

<td>10:00 a.m. to 11:00 p.m.</td>

</table>

The applicant is also approved to be open for corporate team-building events and private parties Monday-Friday from 10:00 a.m. to 4:00 p.m.

Escape Folsom has been open for approximately one year. In their project narrative, the applicant has stated that several of their corporate customers have requested that the approved beer and wine bar offer liquor options as well for those customers who prefer
cocks to beer and wine. No activity from the Police Department or Code Enforcement Division has been reported at this location since its opening.

Project Narrative
Escape Folsom-Project Narrative Type 47 Liquor License

Our conditional permit (PN16-368) at 727 Traders Lane Folsom, CA 95630 was approved for operating an escape room with beer/wine and food service in 2017. We opened in March 2018. We believe that we have added value to the Folsom Historic District. Our business has not had any adverse effect on the health and/or general welfare of users of adjacent or proximate property. We have not had a substantial adverse impact on public facilities or services.

We are asking the Historic District Commission for a modification to our existing conditional use permit. Escape Folsom would like to add a type 47 Liquor License to our existing type 41 Liquor License.

Escape Folsom opened in March of 2018 as an escape room venue that provides the value add of having a bar/restaurant in the same location. Our key differentiator for the business is our location on Sutter Street in the Historic District of Folsom along with being the only escape room venue in the area that provides customers an option for onsite food and beverage.

Escape Folsom has been open for 10 months and we have had a positive reaction to our escape room/bar & restaurant concept in the same location. Additionally, we have had a wonderful response to our building renovation. One aspect of our business model is that we market to local businesses for team building activities and this is a large portion of our revenue. Our corporate customers have asked us many times if we have a plan to add a full liquor license rather than just beer/wine. They are interested because they have guests that travel from all over the world and would prefer a cocktail after the escape room adventure.

We have explained to our customers that we opened the business offering beer/wine because it was the easiest and most cost-effective ABC license to apply for when starting a small business. We were not in the financial position to purchase an existing liquor license after spending over $400,000 to renovate the building located at 727 Traders Lane. We waited 6 months to review the business plan to see if we wanted to apply for a type 47 liquor license in State of California’s annual liquor license lottery (held in October). We decided to put our name into the lottery and Escape Folsom was selected number 2 out of the 25 names that were allocated for Sacramento County type 47 liquor licenses.
We believe that by adding a type 47 liquor license to our existing type 41 liquor license will add more value to our corporate clients by providing additional options for them during corporate team building events. These corporate events are integral portion of our overall business. We believe the type 47 license will add value to our other customers who would like an alternative to beer and wine.

Over the past 10 months, we have closed at 8pm on Wednesday evenings, 9-10 pm on Thursday, Friday, Saturday and Sunday. We originally thought that we would close at 11:30pm on Wednesday, Thursday and Sunday and 1am on Friday and Saturday.

We believe that Escape Folsom will be able to stay open a couple of hours longer each night if we were able to have the type 47 liquor license. The reason we believe this is because we have visited other establishments on Sutter Street that have a type 47 liquor license and they are busy after 9pm and we not. These establishments include: The Folsom Hotel, The Fat Rabbit and Scarlet’s. We have lost some business because we only have a type 41 license.

WHAT IS ESCAPE FOLSOM?

Escape Folsom is a unique entertainment venue located in downtown Historic Folsom. Our building was built in the mid-1800s! We have completely renovated it into a stylish, modern facility offering escape rooms with a bar & restaurant. We kept some of the old-world charm of the 150+ year-old building to create a truly distinctive and interesting place to have fun. The old brick and stone walls create a feeling of yesteryear while the state of the art technology makes Escape Folsom the place to be!

Comment Letter from First Church of Christ, Scientist, dated December 15, 2018
December 15, 2018

Mr. Josh Kinkade
Assistant Planner, City of Folsom
Community Development Dept.
50 Natoma Street
Folsom, CA 95630

Re: Historic Folsom Area Concerns

Dear Mr. Kinkade,

Thank you so much for notifying us about the Conditional Use Permit Modification request to allow for Escape Folsom (727 Traders Lane) to serve liquor in addition to beer and wine, which they already are permitted to serve. As you know, our church is proud to be part of the Historic Folsom district for over 50 years. We do have some concerns about this request, based on past experience with liquor being served at that address right next door to our church.

1. There are already a number of establishments serving alcohol in the Sutter Street area. Although we appreciate that Escape Folsom caters to families and have been willing to work with us, we had a number of issues when the prior business at that site was there and served alcohol. There were many incidents of alcohol-related vandalism to our church, including trash, cigarette butts, broken bottles and glasses, broken porch railings, a broken concrete bench, and inebriated patrons using our courtyard as a toilet.

2. We have a church service on Wednesday nights from 7-8 pm and are concerned about alcohol being served and noise during that time; as well as before and after the church service.

3. If the patio on Traders Lane is open later on Saturdays, due to the bar being open, we are concerned about patrons using our property as a smoking area, even if smoking is not allowed on the Escape Folsom patio, as well as the potential for alcohol-related vandalism to our property.

If you need further information, please feel free to contact me at 916-354-2674.

Sincerely,

Lawry Yerby, Chairman of the Board of Directors
First Church of Christ, Scientist, Folsom
