

DAMAGE ASSESSMENT SKETCH

Location/Address: _____ Floor (1st, 2nd, etc) _____

Prepared by: _____ Date: _____ Time: _____

(Include approximate North arrow on this sketch)

A large, empty rectangular box with a thick black border occupies the central portion of the page. It is intended for a hand-drawn sketch of a structure or facility. The text "(Include approximate North arrow on this sketch)" is centered at the top of this box.

This form is a supplement to the Damage Assessment form. Without endangering the team, draw a sketch of the structure or facility to identify points of entry, blocked entries, utility locations and vehicle access. Also, identify the location of any smoke/fire, leaking water, downed power lines, hazards and victims.
