Quarterly Presentation Plan

• Background/How Did We Get Here?
• Update/What’s Been Done?
• Additional Parking Solution Details
• Questions/Comments
March 2019: City Council appointed 11-member Historic District Parking Solutions Ad Hoc Committee to explore possible solutions to alleviate traffic and parking concerns in residential and commercial areas of the District.

Committee met monthly for a year to identify issues and research/vet potential solutions.

June 2020: Committee recommended to City Council a portfolio approach/comprehensive solution package to implement/adapt over time.
# Committee Recommendation: Portfolio Approach

## Short Term High Priority
- Establish designated loading zones for ridesharing and Smart RT
- Design, implement and enforce residential parking permit program

## Short Term Low Priority
- Establish an In-Lieu fee for parking
- Enhance pedestrian safety to and from the Railroad Block parking garage
- Increase frequency and scope of parking enforcement
- Provide shuttle options to parking garage and Light Rail

## Long Term High Priority
- Offer incentives to reward beneficial parking behavior
- Build an additional public parking garage
- Consider establishing valet parking services at key locations

## Long Term Low Priority
- Improve overall circulation design for access to the Historic District
- Consider use of small undeveloped or underdeveloped lots for infill parking

## Ongoing and Existing Solutions
- Continue to improve bicycle and pedestrian access to Historic District
- Promote ways to get in and around the Historic District
- Work with Special Event organizers to manage parking demand
- Address parking standards for Historic District through Zoning Code update
- Adaptively manage Historic District parking
Update/What’s Been Done?

1. City Team meetings on implementation monthly
2. Stakeholder coordination
3. Grant funding applications
4. Wayfinding signs
5. Security upgrades, traffic calming for parking structure
6. Rideshare, loading and curbside pickup zones and signs
7. Updated parking maps for employees and visitors
8. Progress on residential parking consideration
9. Webpage with background, report, and implementation matrix updated quarterly
<table>
<thead>
<tr>
<th>Timeframe</th>
<th>Priority</th>
<th>Objective</th>
<th>Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>Short-Term</td>
<td>High</td>
<td>Establish designated loading zones for ridesharing and Smart RT</td>
<td>Rideshare signs posted on 800 and 900 blocks of Sutter. Truck loading zones marked at Sutter/Decatur and on Wool next to Chamber building. Reaching out to rideshare companies about other opportunities in high volume areas.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Establish in-lieu fee for parking</td>
<td>Pursue funding opportunities for consultant services to prepare a parking in-lieu fee for City Council consideration.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Improve and expand wayfinding signage to encourage use of parking garage</td>
<td>Approved FY21-22 budget for security enhancement in garage, expanded parking capacity signage, wayfinding and circulation improvements.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Create special fund for parking improvements</td>
<td>Create special fund to ensure that revenue collected in the area goes toward parking improvements. When we have a revenue stream identified, this will be set up/established.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Design, implement and enforce residential permit parking program</td>
<td>Discussing potential pilot permit parking program for Historic District residents.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Enhance pedestrian safety to and from parking structure</td>
<td>Camera systems were installed as planned and connected to and monitored by Police dispatch (3 cameras in Plaza Area and 2 near RT area with 15 total views). Consider funding private party for nighttime safe chaufferone to parking structures and lots.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Increase frequency and scope of parking enforcement</td>
<td>On-street parking enforcement in the Historic District continues to be monitored in pandemic perspective in coordination with FMDA.</td>
</tr>
<tr>
<td>Low</td>
<td></td>
<td>Provide shuttle options to parking garage and light rail</td>
<td>Consider micro-mobility options, especially as things open up (e.g., Via, RT last mile). Private shuttle services resumed. City is considering options to expand funding for golf carts.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Educate HD employees about parking options</td>
<td>City is preparing an information toolkit that can be shared with employees. City recommends FHDA create incentive program for employees to incentivize positive parking behavior.</td>
</tr>
<tr>
<td>Ongoing</td>
<td>n/a</td>
<td>Continue to improve bicycle and ped access to HD</td>
<td>Conceptual design completed for Riley Street sidewalk from Sutter to East Bidwell. Waiting to hear on grant for final design and construction.</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Promote ways to get in and around the HD</td>
<td>Restriping of Trader’s Lane access and parking lot in near term (late 2021) with signs and sensors for available space following in 2022. Conceptual design stage now. Staff preferred option will be presented to City Council as part of regular update on parking solutions.</td>
</tr>

**Solutions Implementation Matrix (Updated August 17, 2021)**

- **Is for HD through Draft Zoning Code to incorporate these recommendations with workshops and adoption hearings in Fall 2021. HCD workshop Nov 30th directed: 1) End use of Variance for granting parking reductions in Sutter Street Entertainment District and instead replace with Admin Permit Process including required findings before HCD will award permit. 2) Allow payment of in-lieu fees for parking reductions. Only in-lieu fee, shared parkign, off-site parking nearby or availability of parking in garage warrant parking reduction. 3) If outdoor seating is more than 25% of indoor seating area, parking required for outdoor seating at same ratio for indoor.**

- **Working Consider as a long term strategy for holistic approach as improvements and solutions are implemented over time. City will continue implementing parking solutions and pilot programs to address short term needs. Effective longer term Parking Management Plans traditionally rely on paid parking programs and there’s not currently consensus on paid parking.**

- **beneficial Evaluate potential incentives to consider in the moving forward plan (public and private).**

- **structure Estimated cost of second parking structure is $50M and is likely contingent on paid parking or other consistent revenue stream.**

- **key locations Staff is exploring the potential to set aside seed money for coordinated shared valet parking.**

- **in design for Longer term infrastructure analysis for potential to re-route vehicles for improved circulation when there are more significant changes in the district moving forward.**

- **developed lots for Consider potential to use or purchase lot at Gold Lake and Leidesdorff lot.**

</table>
Additional Parking Solution Details

• Enhanced Wayfinding Signage Program
• Pilot Residential Parking Program
• Coordinated shuttle and/or valet services
• Parking Enforcement
• Parking Management Consultant
Enhanced Wayfinding Signage

- Install sensors at public surface lots
- Modify displays at district gateways
- Cloud data (can be used by parking app)
Pilot Residential Parking Program

• Proposal by Historic District residents
• Limited scope
• May require City Council approval
Shuttle/Valet Service

• Shuttle service currently provided by one HD merchant (the “surfer shuttle”)
• Valet service was offered by one restaurant but may have been canceled due to lack of use
• Potential opportunity to add one or more shuttles
• City subsidy/support?
Parking Enforcement

• Prior to Covid, parking enforcement was provided by Citizens Assisting Police (CAPS) program
• CAPS has been suspended due to Covid but is being reinstated
• Consider enforcement alternatives
• Potential increase in parking fines; keep fines in the Historic District
Parking Management Consultant

• Should the City consider retaining parking consultant to further develop and implement parking management plan?
• Several plan elements lack consensus and need resolution before proceeding (permits, fees, etc)
Questions/Comments
