AN ORDINANCE OF THE CITY OF FOLSOM REPEALING AND REPLACING THE GARBAGE COLLECTION ORDINANCE AS SET FORTH IN CHAPTER 8.32 OF THE FOLSOM MUNICIPAL CODE TO INCORPORATE NEW STATE LAW MANDATES

Ordinance No. 1320 is scheduled for adoption by the Folsom City Council on December 14, 2021 and if adopted, will become effective on January 13, 2022. A complete certified copy of the proposed ordinance may be viewed either on the City of Folsom's web page www.folsom.ca.us or at the Folsom City Clerk's Office, 50 Natoma Street, Folsom. You also may request a copy be mailed to you at no charge by calling the City Clerk's office at 916-461-6035 or emailing CityClerkDept@folsom.ca.us.

The purpose of this Ordinance is to repeal and re-enact Chapter 8.32 of the Folsom Municipal Code to conform with new state law requirements pertaining to short lived climate pollutants and the implementation of an organic waste separation program, including but not limited to requirements of SB 1383, and regulations finalized by CalRecycle on November 3, 2020. To comply with SB 1383 and accommodate the needed changes to the solid waste collection program, the garbage collection ordinance has been updated for a full repeal and replacement of the previous ordinance, including renaming the ordinance from "Garbage Collection" to "Waste and Recycling Collection". The new ordinance provides the details of operations (containers, collections, materials, charges), permissions, city responsibilities, waivers, education and enforcement and other relevant topics surrounding the organics, recycling and garbage collection programs.
